John Whitmore,

The following Resolutions were submitted to the Sessions:—

Resolved—That it is the opinion of the Magistrates and Cesspayers assembled at Road Sessions, for the Barony of Gorey, that it would be equitable that the occupiers by whom the County Cess is paid, should be relieved from the exclusive bearing of the County or Establishment charges, and they desire to impress the matter on the attention of the Government, believing this to be a favourable opportunity of bringing the subject forward, when they will have to deal with the appropriation of a large fund raised out of the land hitherto devoted to the support of the Established Church in this country.

J. H. GLASCOTT, Chairman.

Resolved—That it is the opinion of the Magistrates and Cesspayers assembled at Gorey Road Sessions, that the remuneration of the High Constable of the Barony for the collection of the County Cess should not exceed 9d. in the £, and that competition be invited for the office at the next assizes.

J. H. GLASCOTT, Chairman.

The following Resolutions were submitted to the Sessions:—

At the quarterly meeting of the Council of the Corporation of the Borough of Wexford, held on the 1st day of November, 1869, the following resolution was unanimously adopted:—

Resolved—That we hail with much satisfaction the concession on the part of the Grand Jury of the county to free from tolls the bridge at Ferryarrig, as tending to develop the agricultural and commercial interests of the town and county: and that the Mayor be requested to attend at the next Presentment Sessions, on the part of the inhabitants, to assist in passing the presentment for the amount proposed to be raised for the purchase of the debentures of said ferry.

Resolved—That we again express our conviction on our own behalf and that of the inhabitants of the barony, that it is necessary for the proper development of the resources of a large portion of the county to open up Ferryarrig bridge free of toll to the public. That not only expediency but justice call for this measure, inasmuch as the cesspayers of the barony have contributed to the purchase and setting free the two bridges of Wexford and New Ross; and we earnestly recommend the measure to the favourable consideration of the next County Sessions.

Submitted and approved,

N. F. GYLES, Chairman.

## NEW ROSS' BRIDGE.

TO THE FOREMAN OF THE COUNTY OF WEXFORD  
GRAND JURY ASSEMBLED AT THE SPRING ASSIZES,  
1870.

SIR—The committee appointed under the provisions of chap. 50 & 77 of 30 & 31 Vic. by the respective Grand Juries of the counties of Wexford and Kilkenny, at the Summer Assizes, 1867, to act jointly in their behalf in the contracting for, carrying on, conducting, and managing the rebuilding of New Ross bridge, beg to lay their 5th Report before the Grand Jury of the county of Wexford:—

1. The committee have to congratulate both counties on the completion of the important work entrusted to their management. The bridge was traversed for the first time on the 23rd July by the carriage of the Right Hon. Mr. Justice George, was formally opened to the public on the 6th August, and was finally accepted by the committee from the contractors, as complete, on the 18th December, 1869.

2. Since last assizes Messrs. Kinnard Bros. have received certificates for £3,000 and £3,250, making in all £36,250, being the full sum named in the deed of contract; but the contractors being bound to maintain the bridge and works in perfect repair for the period of twelve months subsequent to their completion, the committee still retain a portion of the money till the expiration of that term.

3. The screw moorings, approved by the Grand Juries at the Summer Assizes, 1869, have also been put down at a cost of £220, and appear to answer their purpose extremely well.

No. £ s. d.

8936 1 2 Brought forward

4. The Town Commissioners of New Ross have called the attention of the committee to the state of the approaches on the county of Wexford side. These are obviously somewhat steep and narrow; but as they have been constructed in conformity with the plans and specifications sanctioned by the Lord Lieutenant's order of the 18th January, 1868, the committee had no power to apply a remedy, more especially as to do so would involve a considerable interference with private property. It is suggested that the house at the corner of Bridge-street and the quay should be removed—an arrangement which would do much to obviate the inconvenience complained of, by leaving ample space for the roadway; and it is hoped that the matter, if brought before the Presentment Sessions, will receive a favourable consideration there, and from the Grand Jury. It is also proposed to extend the southern approach to the edge of the quay; but as this would diminish the landing accommodation of the port, besides, to a certain extent, deteriorating the handsome appearance of the bridge at that point, it would be better, in the opinion of the committee, to postpone that alteration till it is found whether the one previously recommended will be sufficient.

5. The committee cannot conclude this, probably their final practical report, without expressing their high sense of the integrity, liberality, and energy with which Messrs. Kinnard Bros. have performed the works specified in their contract. In an undertaking of such magnitude, extending over more than fifteen months, and involving operations of considerable hazard, it is highly gratifying to the committee, and most creditable to the intelligence, attention, and experience of the agents and superintendents employed by the contractors, that not a single serious accident occurred to any person engaged on the works.

CHARLES GEORGE TOTTENHAM, Chairman.

Ordered—That a copy of the concluding paragraph of the Report of the New Ross Bridge Committee be sent to Messrs. Kinnard Brothers.

## SUMMER ASSIZES, 1870.

### A SCHEDULE OF APPLICATIONS FOR PRESENTMENTS ON THE COUNTY AT LARGE.

At a Special Presenting Road Sessions held at Wexford, for the County at Large, on the 14th May, 1870, and adjourned to the 1st June, 1870, the undermentioned Magistrates and Cesspayers presided:—

The Right Hon. the Earl of GRANARD, Chairman.

#### Magistrates.

W. A. Caulfield, Esq.,  
George LeHunte, Esq.,  
Edward S. Flood, Esq.,  
Francis Boxwell, Esq.,  
J. Harvey Boxwell, Esq.

#### Cesspayers.

Crosbie W. Harvey,  
Thomas Walsh,  
James Walsh,  
Martin Meany,  
John Colfer,  
John Walsh.

At the adjourned sessions there presided—

EDWARD SOLLY FLOOD, Esq., Chairman.

Cesspayer—J. Walsh.

The following resolution was proposed by E. S. Flood, Esq., and seconded by George LeHunte, Esq.:—

“The Magistrates and Cesspayers assembled at Wexford Presenting Sessions for the County at Large, May 14, 1870, feel bound to record their deep regret that the Grand Jury at Spring Assizes of this year should have, by the narrowest possible majority, refused to sanction the purchase of the tolls of Ferrycarrig bridge—a matter which had been affirmed in principle by preceding Grand Juries, the details of the purchase alone having been left for arrangement. They desire, however, to express their firm reliance that the Grand Jury to meet at the Summer Assizes will replace the matter upon a similar basis to that on which it was left at the Summer Assizes of 1869, and enable the next Presenting Road Sessions to take the prescribed steps for proceeding with the purchase of the tolls.”

GRANARD, Chairman.

## SUMMER ASSIZES, 1870.

A SCHEDULE OF APPLICATIONS FOR PRESENTMENTS  
ON THE  
BARONY OF SHILMALIER EAST.

At a Special Presenting Road Sessions held at Crossabeg, for the Barony of Shilmalier East, on the 2nd May, 1870, and adjourned to the 17th May, 1870, the undermentioned Magistrates and Cesspayers presided:

PATRICK BREEN, Esq., Chairman.

Magistrate.

N. F. Gyles, Esq.,  
Percy L. Harvey, Esq.,  
Edward S. Flood, Esq.

Cesspayers.

Crosbie W. Harvey, Esq. (Co.)  
Richard Gainfort,  
William Gibson.

At the adjourned Sessions there presided—

PERCY L. HARVEY, Esq., Chairman.

The following resolution was adopted at the sessions:—"The Magistrates and Cesspayers at Crossabeg Presenting Sessions, May 2nd, 1870, feel bound to record their deep regret that the Grand Jury at Spring Assizes of this year should have, by the narrowest possible majority, refused to sanction the purchase of the tolls of Ferryearrig bridge—a matter which had been affirmed in principle by preceding Grand Juries, and the details of the purchase merely left for arrangement. They desire, however, to express their firm reliance that the Grand Jury to meet at the Summer Assizes will not be induced by any hypothetical assumption longer to defer the performance of an act, the common justice of which is recognised by all."

PATRICK BREEN, Chairman.
