Resolved

That we have seen with much satisfaction a
reduction of expediture in the Hospital funds
as regards the Dietary of 25th during the quarter as well as a
corresponding increase in the number of
Intern patients cured & relieved, compared
with the same quarter of last year -
our economy to be solely attributed to
the judicious arrangements of the Surgeon

Continuation of this day's Quarterly Meeting

Resolved that upon the Inspection of the Treasurer's
yearly accounts - We find a very considerable
saving in Expenditure to the Institution within
the last year - Owing to the judicious System
adopted by Surgeon Cram in the Dietary &c
- And we consider him fully entitled to our
warmest thanks -

Resolved That the Committee now appointed be required
to have the Surgeon House with a Slaughter yard
& Office completed as soon as possible
and at as small expense as is consistent with
the reasonable wants of such Establishment
and that for such purpose they be Empowered
to sell out, a sum not exceeding £200
from the 3% of St Stock, first having re-
