L.No. 703/1918. Dated. 11th. January, 1918.

"The Local Government Board for Ireland have had before them letter of the 4th. instant, inquiring what action should be taken by the Board of Guardians of Enniscorthy Union regarding the case of a person, not a subject for outdoor Relief, who is ill but refuses to go to Hospital and who has been already granted Provisional Relief. In reply the Board desire to state that they presume that in the case referred to in your Communication the person concerned is debarred from receiving Outdoor Relief owing to his being in occupation of more than a quarter of an acre of land. In such circumstances all the Guardians could legally do would be to offer to admit him to the Workhouse and the Relieving Officer would only be entitled again to give Provisional Relief if after another visit he was satisfied that there were frsh exceptional circumstances which would warrant a renewal of the powers conferred on him under Section 7 of the Act 10 Vic, C. 31.

Order. "Copy of Letter to be sent to Canon Browne."

On the recommendation of Mr. William Binnions P.L.G. the Relief given to Edward Carroll, Castledockrill was increased to 5/- per week

It was decided to inform Mr. Slye that Outdoor Relief could not be legally granted to Kate Fagan, as she was in occupation of more than the prescribed amount of land.

Dr. Kelly, Killanne wrote stating that Mrs. Flynn, Caim required a Nurse, she could not be removed to Hospital.

Order. "Local Government Board to be asked to state if this is a legal case, the Husband is beingpaid to nurse the wife, who is a Tuberculosis Case."

RE VACCINATION ACTS.

Arising out of the recent prosecutions against Defaulters under the Vaccination Acts at Enniscorthy Petty Sessions, the Chairman asked if it were a fact that Dr. T.J.Kelly would be entitled to £1 : 1 : 0 in each case brought before a Petty Sessions Court.

The Clerk stated that was not so, a Medical Officer was entitled to a sum not exceeding £1 : 1 : 0 for each day's attendance at Sessions. At present Six cases were being brought on at each Sessions.

Mr. Jas. Hall wished to know who instructed the Solicitor to object to Mr. A. Haughton acting as a Magistrate during the hearing of the cases at Enniscorthy.

The Chairman pointed out that the Solicitor was within his rights in doing so. The Guardians had no power to tie his hands in Court.

In reply to a query from Mr. Hall as to how the Notices were being served on the Defaulters, the Clerk stated that they were being served by Registered Post, but that all the Defaulters had not yet been served.

Mr. Hall stated that he saw by the Papers that the Relieving Officers were accused of intimidating people into getting their Children Vaccinated and asked whether [redacted] as Relieving Officer had been ordered by the Board to act as alleged in the Papers.

The Clerk stated that it would be advisable not to discuss that matter as he understood it was going to form the subject of a legal action.

The Chairman stated that he did not believe the Relieving Officers would do duch a thing.

Mr. Hall stated that it had appeared on the Public Press and had not been contradicted.

On the advice of the Clerk that it was better not go into the matter at present. The discussion ended.

Signed. Clerk.

"One wheel of the Ambulance Van requires to be felloed and bound. The shafts stayed to the body, as at present it is very heavy on the Horse owing to the way it is shaking. She has got nieces and cousins but none of them care anything about

her. Mrs. Hennessy tells me she refuses to go to Hospital. Can she get Provisional Relief while receiving the Pension. If so it would be necessary to employ a Nurse. I wrote to Dr. Delany to attend her, he may order her to Hospital. Please let me know what action you may take as she is in a very weak state."

Order. "Referred to Relieving Officer."

R. O. Browne brought under the notice of the Board the cases of Mrs. Leacy, Clonhaston and Mrs. Brien, Duffry Gate, whose husbands had gone to Jail as Vaccination Defaulters.

In reply to a query from the Chairman, the Clerk stated the Board could not grant Outdoor Relief to the family of Persons in Jail, they could only be relieved in the Workhouse. There had been already a surcharge against the Chairman for a case of this nature.

Mr. J. Murphy P.L.G. Enniscorthy contended that the Board of Guardians should give Outdoor Relief, as they had sent the husbands to Jail, they should support the families.

The Clerk pointed out that these persons had acted on the advice of Anti-Vaccination/League and had gone to Jail, the League had given an undertaking to support the families of Labourers who went to Jail, it now appeared that they wanted to pauperise and disfranchise them instead of supporting them.

The Chairman refused to sign an Order for Relief in the case, although it was proposed by Mr. Murphy and seconded by Mr. Shea that it be granted.

The Chairman further stated that he was prepared, if necessary, to subscribe to a fund to relieve these families.

"On yesterday evening a Tramp Lodger named Martin Doyle came in under the influence of drink with an R.O.'s ticket, he refused to put on the Union Coat and used vile Language towards me in presence of other Inmates, and would take no instructions from me. Mr. Cleary.....Proposed. Passed

Mr. Sinnott.....Seconded. Unanimously.

"That we, the Members of the Enniscorthy Board of Guardians, beg to enter an emphatic protest against the proposal of the Government to apply Conscription to Ireland. We believe that any attempt to enforce such a proposal would lead to deplorable disorder in the Country, and from our intimate knowledge of the views of the people on the question we are convinced that the overwhelming majority of them would resist it to the uttermost of their power."

Approving of the arrangements made for the dischhrge of the duties of the Medical Officer of Clonroche Dy.Dt. during Dr. Delany's absence on vacation.

RE MEDICAL APPLIANCES CONTRACT.

L. No. 14,969/1918. Dated. 8th. April, 1918.

Referring to Minutes on 27th. ultimo and stating that the Firm Fieldings' Pharmacy, Cork, has held Contracts during recent years in a number of Unions and carried them out satisfactorily, and in the circumstances, the L.G.Board cannot assent to their tender being rejected in favour of another Irish Firm which offered a lower discount. The Guardians should therefore assign the Contract to Fieldings Pharmacy.

A discussion took place in connection with the matter during which it was pointed out that it was much more convenient to obtain Drugs from Dublin in this District than it was from Cork, the Board eventually came to the conclusion that Boileau & Boyd be written to and asked in they would accept at the same terms of Fieldings, otherwise the Local Government Board to be asked to approve of the acceptance of Boileau's tender.

Master's Report

"An Inmate named Ellen Dwyer would thank the Board for clothes for herself and two children to enable them to leave the House

Order £3 15 0 worth allowed

"An Inmate named Annie Murphy would thank the Board for clothes for herself and child to enable them to leave the House

Order £1 3 0 worth allowed

"Miss Bourne L.G. Board Inspector visited the House on the 29th inst

"A girl named Mary Butler gave birth to two illegitimate children on the 29th inst

Order. Referred to Engineer

Engineer Report

"I beg to report that a tank in Convent which is an old one requires to be re-lined. it would cost about £4 0 0.

The Galvanized tank in Hospital is also leaking and would want to be repaired

Order. Engineer to have work carried out

that as many of the patients as possible should be placed on diets Nos 2 and 2a instead of 3 and 3a respectively. The Medical Officer approves of this suggestion and also of the recommendation that potatoes should be served at the dinner meal every day in the Infirmary instead of 4 days per week as at present.

A new cooking apparatus has been installed in the main Kitchen but the supply of hot water from the range to the laundry is inadequate. If by covering the pipes with asbestos, the hot water supply could be improved, a saving would be effected in the consumption of coal.

One of the most pressing needs of the institution is a good day nursery. the ward now in use is a flagged block and very dark and ill-ventilated. and very much of the wards on the female side of the body of the House it might be possible to provide better accommodation for mother and their infants.

The Workhouse building which has been allowed to fall into a dilapidated condition has been undergoing repair & the front of the main building is still in need of attention. In the [illegible] Hospital the windows are not weather proof. and steps should be taken to prevent the overflow from the tanks over the entrance porch from running down the walls. The Isolation Building should be provided with a second door opening into the Workhouse grounds. when opportunity offers I trust the Guardians will arrange for the better lighting and ventilation of the Infirmary wards by the enlargement of the windows in the front of the building

I would recommend that Sr Mathews who acts and has acted for some years as Charge Nurse in the Infirmary should be officially recognised as such instead of by the present [illegible] absence of Steel Spoor [illegible] designation.

The absence of a covered ambulances is a source of much discomfort to the sick poor of the Union. Both of the Ambulances in use are open wheeled vehicles

the fact that many of the locks throughout the buildings are out of order. A special key should be provided for the store for condemned articles, the key of which should remain in the Clerk's possession.

There are no fire extinguishing appliances in any part of the Institution.

Limewashing is required throughout the Institution. The flagged floor in the laundry is very uneven with the result that water lies in places.

In order to avoid the frequent mending of men's trousers I would suggest that instead of lining the trousers with calico, drawers of that material should be substituted.

There are two children in the workhouse named John and Thomas Allaton who have been deserted by their father, and who could therefore be boarded out. The father of William Hulse should be obliged to take this child out of the workhouse. The father is a tal[illegible] man employed outside the workhouse.

I have called the attention of the Master to some matters in connection with the books and accounts to which he promises to give attention

The Visiting Committee does not visit or report as required by Article 59 of the Workhouse Rules.

Seeing that there has been no patients in the Ballast Hospital for the past 14 years or in the Newtownbarry for the past 7 years, and that there is no likelihood of either buildings being used for patients, there does not appear to be any reason why the Guardians should not permanently close both hospitals. As the Guardians are aware, the building at Ballast is in a very bad state of repair being almost roofless. An expenditure of over £100 a year is incurred in respect of the salaries of Medical Officers, wages of Caretakers and the cost of

Copy of Surcharges made by Mr. Cyril Browne, Local Government Auditor on 15th. May, 1918:-

("I hereby charge Mr. W.E.Power, lately Master of the Workhouse, with the sum of Nine Pounds ten Shillings and Sixpence (£9:10:6) being the value of a quantity of Bread for which he failed to account; I find that the said sum is a deficiency due to his negligence and I certify the same to be due by him."

"I also charge Mr. W.E.Power with the sum of Ten Pounds seven shillings and tenpence (£10 :7 :10) being the value of a quantity of Soap for which he failed to account. I find that he kept no record of the Soap consumed each week and that the quantities which he has written off, purporting to show the consumption, are fictitious and exorbitant. Allowing a fair and reasonable average consumption, I find that the said sum is a loss due to his negligence and I certify the same to be due by him."

"I also charge Mr. W.E.Power with the sum of Six Pounds fifteen shillings and sevenpence (£6 :15 : 7) being the value of Milk overcharged by him in his Provision accounts; I find that the said sum is a loss due to his misconduct and I certify the same to be due by him."

"I hereby strike out and disallow as illegal, the sum of One Pound Ten Shillings (£1 : 10/-) Paying Order No. 207, paid for the services of a temporary Midwife. I find that the said Midwife was irregularly employed; that the permanent Dispensary Midwife of the District was available and the employment of the said temporary Midwife unnecessary; and that her employment and remuneration did not receive the sanction of the Local Government Board. I surcharge with the said sum Messrs:- T. Hayes, J. Kavanagh & J. Murphy, who by their signatures authorised the payment and I certify the said sum to be jointly and severally due by them."

Order. "That we respectfully request Local Government Board to forward form of application for remission of Surcharge of £1:10/- against the Members of the Board mentioned, as this was a humane case, in which the action saved a Patient's life."

Mr. O'Dempsey, Solicitor, wrote as follows:- "Oulart Fever Hospital appear to have been the subject of a lease for 20 years from 25th. March, 1868 at a rent of one shilling yearly, said lease having expired in the year 1888. The Guardians would appear to have obtained a Freehold by precription. The Dispensary Residence appears to have been the subject of a Lease for 19½ years from 25th. March, 1868 at 1/- per year, said Lease having long since expired, the Guardians continuing to hold same without payment of Rent, it would now appear to be their Freehold property. These two leases are granted by the same lessor, Rev. Wm. Cooke, but are entir ly separate instruments and I am instructed the Dispen ary Residence is a distinct structure from the Fever Hospital. I am therefore of opinion that the abandonment by the Guardians of the Fever Hospital, if they decide to abandon it will in no way prejudice their title to the Dispensary Residence."

Notice of Motion.

"Take notice that I will move on this day three weeks that the Guardians consider the Advisability of abandoning Oulart Fever Hospital."

Signed. Thomas Cleary.

BALLAGHKEENE DISPENSARY.

Mr. Flood wrote as follows:- "Dr. Connolly, Mr. O'Brien and myself report as follows:- As the work done by Bryan Murphy was useless and had to be all taken down and rebuilt, we cannot see our way to recommend the Guardians to pay the Claim."

Order. "Copy to be sent to Mr. O'Flaherty."

"As the present is the most suitable time to have the repairs carried out, I would be glad for instructions."

RE MILK FOR NUNS.

L. No. 22462/1918. Dated. 31st. May, 1918.

Sanctioning the proposal of the Board of Guardians to allow Six Quarts of Milk daily to the Nuns employed in the Workhouse.

RE AUDITOR'S REPORT.

L. No.23,548/1918. Dated. 17th. May, 1918.

Mr. Cyril Browne reported:-

"I have the honour to report that I have audited the Accounts of Enniscorthy Union for half-year ended 30th. September 1917, and beg to forward herewith certified copies of the Abstract.

Outdoor Relief- The "Reports" of the Relieving Officers give little or no information as to the circumstances of individual cases, and it is difficult to decide as to the legality and propriety of the Relief granted. I have to point out that Relieving Officers have no power to give provisional Relief except in urgent cases between the Guardians' Meetings.

Master's Books- No good purpose would be served by a detailed report on the accounts of the former Master. I have surcharged him with sums of £9:10:6, £6:15:7, and £10:7:10 in respect of bread, milk and soap overcharged and unaccounted for.

Inventory Book- No Stock of furniture and utensils was taken at the close of the half-year.

Day Book- The Day Book is not kept as such. I need not point out that a "day book" written up many weeks in arrear is absolutely valueless. I draw special attention to the important regulations of Article 22 of the Accounts Order.

Surcharge- I have disallowed a sum of £1 :10:0 paid to a temporary Officer."

The Clerk stated that the only Officers concerned in the Report would be the Relieving Officers. With regard to the Day Book, he had come to an arrangement with the present Master which would simplify matters viz:- To keep the Day Book in the Office, the Master sending down each day a written list of the Goods received. This would be a greater check than at present.

Order. "Copy of Auditor's observations to be forwarded to the Officers concerned."

RE INFIRMARY NURSE.

Sr. M. T. Pillian wrote tendering her resignation as Nurse of the Infirmary.

Order. "Resignation accepted, to be re-advertised." Vacancy.

RE LEAVE OF ABSTNCE.

Mother Conseption wrote applying for leave of absence for the following Sisters:- Sr. M.L.Casey, Sr. M.T.Pillian, Sr. M.E.Kelly, Sr. M. B. Gunning, Sr. M.G. Healy, their places would be taken by the following Sisters respectively:- Sr. M. I. Condon, Sr. M.F. Meagher, Sr. M.C. Raftice, Sr. M.C. Carpenter, St. M. F. Burke. This arrangement would not involve any extra cost on the Rates.

Order. "Leave granted."

L. No. 24802/1918. Dated. 8th. June, 1918.

Forwarding the Report of of their Medical Inspector, Dr. Dillon, on the Infirmary, Fever Hospital and Children's Wards of the Workhouse and requesting the Guardians to fix a day for the consideration of the several important matters adverted to therein. The report discloses a very discreditable state of affairs as regards the Maternity Ward, and the Matron's statement that she has not time to look after the Ward cannot be taken as justifying her conduct. The Board trust thst she will not again lay herself open to censure for neglect of her obvious duty. As regards the exercise of the School Children, the Board have to state that it is not sufficient that they should have walks on the Path merely; in addition they should be taken outside the Workhouse grounds in charge of the Schoolmistress.

Copy.

"The Workhouse Ambulances are very old, The Fever Ambulance has no Stretcher."

"The Walls of all the Wards of the Hospital are plastered, with the exception of two Wards on the Male Side and one on the Female Side."

"The Floors are old and broken. The Carpenter was repairing them on the occasion of my Inspection."

"The bathing accommodation is poor, consisting as it does of only one fixed bath with cold water and a portable bath. Water Closets, and baths with hot water supply should be provided."

"The nursing arrangements for midwifery cases occurring in the Workhouse are not satisfactory. The Dispensary Midwife attends such cases, but the Maternity Ward is in charge of an Attendant, one of the nursery women, under the supervision of the Matron. When I visited the Ward the beds were in a filthy state and the Matron stated that she had not time to look after this Ward and never looked at the beds. She promised to do so regularly every day in future."

"The Milk for the use of the infants in the Hospital is not sterilized."

"Some cradles are required for the Nursery Dormitory and bedsteads should be supplied for the women. At present they sleep

RE AGRICULTURIST'S SALARY.

L. No. 23,602/1918. Dated. 18th. June, 1918.

Referring to Guardians Resolution of the 15th. ultimo proposing to increase the salary of Thomas Doyle, Agriculturist at the Workhouse from £30 a year to £50 a year. With reference thereto the Local Government Board desire to point out that this man is already in receipt of a salary of the figure mentioned, as well as 6/- a week for caring the Engine, rations &c and occupies furnished Apartments in the Workhouse. His post should, therefore, be worth about £100 a year. In the circumstances, and having regard to the Standard of the Agricultural Wages Board, the Board do not consider that sufficient grounds exist for sanctioning the proposal to increase this man's salary by 66%.

During a discussion on the matter it was pointed out that the Local Government Board were under a wrong impression with regard to the terms of the Agriculturist's appointment. His Apartments were not furnished ~~with~~ by the Board but by the Agriculturist himself, all he received was the bare House. With regard to the Workhouse Engine, this work was done outside Farm Hours and on Sundays and is entirely extra work, whilst the Board would not be able to get another person to do the work as cheaply. His Salary and Emoluments as estimated by the Board are:- Salary £30 per year, Engine £15 :12/-. Rations at Twelve Shillings weekly £31 : 4 : 0; House at 1/6 per week £3:18:0. Total £80:14:0.

Order. "Under the Circumstances and taking into consideration the facts that the Agriculturist is in sole charge of the Farm, and from the profitable manner in which he is working it, we request the L.G. Board to re- ~~with~~ this decision."

RE NEWTOWNBARRY & OULART FEVER HOSPITALS.

L. No. 28774/1918. Dated. 27th. June, 1918.

Referring to Minutes on 13th. instant relative to closing of above Hospitals and stating that they have referred the matter to their Inspector, Mr. F.J.Mc.Carthy, who would, as soon as other engagements permitted, look into the question and advise the Guardians as to the steps that should be taken relative thereto.

RE SURCHARGE.

L. No. 25972/1918. Dated. 8th. July, 1918.

Stating that they have had under consideration the Appeal from the persons aggrieved against the Surcharge of £1:10/- made by the Auditor at the Audit of the Accounts for the haTf-year ended 30th. September, 1917. And stating that they have inquired into the lawfulness of the reasons stated/ by the Auditor for making the surcharge in question, and have found that the Surcharge was lawfully made, but that the ~~and~~ subject matter thereof was incurred in such circumstances as to make remission fair and equitable and they have made an Order accordingly copies of which are enclosed. Also pointing out that the Surcharge has only been remitted in view of the quite exceptional circumstances of the case and the decision should not be taken as a precedent warranting the employment of a maternity nurse other than the Dispensary Midwife.

RE TEMPORARY DUTY.

L. No. 29,817/1918. Dated. 28th. June, 1918.

Sanctioning the payment of remuneration at the rate of £2 per week to Mr. Whitty for acting as Clerk during the latters absence on vacation. Also stating that they would raise no objection to the payment of a sum of Two Pounds each to R.O. Kelly & R.O.Murphy for posting notices during the past year.

RE RESIGNATION OF RELIEVING OFFICER.

Mr. L. Kelly R.O. wrote as follows:- "Owing to ill-health, I have of late been unable to carry out my duty as Relieving Officer with that efficiency which the position demands and consequently I have decided to tender my resignation to the Board, and whilst doing so, I take this opportunity to return my sincere thanks to the Guardians and Officials

of the Union for their many acts of kindness towards me during my term of Office."

Order. "Accepted with regret."

Order. "That Mr. Browne be appointed to act as temporary Relieving Officer in No. 2 District until his successor has been appointed, at the usual remuneration of 30/- weekly."

Order. "That a Committee consisting of Messrs:- J. Murphy, J. Lynch, T. Mc.Carthy, T. Cleary, L. Harte, M. O'Brien, & J. Sinnott meet on Wednesday next at Twelve o'Clock for the purpose of drawing up a report of conditions of new Appointment. Report to be considered on this day fortnight."

RE DR. DILLON'S REPORT.

Meeting of Visiting Committee held on Wednesday, 26th June to consider above, Members present were:- Messrs:- J. Murphy, J. Lynch, J. Hall, L. Harte & J. Kavanagh.

The Committee in reporting deal with the paragraphs of Dr. Dillon's Report as follows:-

1. We recommend that a Motor Ambulance be procured.
2. We consider state of Hospital walls satisfactory at time of our inspection.
3. Repairs to Floors were satisfactorily executed.
4. We recommend that a New Tank be procured for Bathroom, and that the Hot Water Apparatus be put in proper repair.
5. We are satisfied with the Ventilation.
6. It was explained to us that the Old Straw Ticks were placed under the New Mattresses to keep them from being damaged by the Beds.
7. With regard to the Nursing Arrangements for Midwifery Cases, we thoroughly investigated this matter and inspected the Maternity Ward. We also sent for the Dispensary Midwife and questioned her on the matter. We are perfectly satisfied that the Attendant in charge carefully looked after the cleanliness of the Ward and Beds. We were shown portions of condemned blankets that are placed over the Sheets to save them. These, to the eye, might not appear spotlessly clean, but we ascertained that they are cleansed and disinfected before being used. Proof of this is the statement of the Midwife that during the twenty-five years she has been in attendance here, there

Copyright: Wexford County Archive

there has never been a Fever Case. Whilst she further told us she was perfectly satisfied with the cleanliness of the Wards and Beds.

We were not able to satisfy ourselves as to whose duty it is to supervise the Maternity Ward. We are aware that it is the duty of the Matron to supervise the washing and cleansing of all the House Linen. Now when a person becomes a Maternity Case, she is transferred to the Sick classes and placed on the Hospital Books, which brings her under the care of the Medical Officer; and apparently in accordance with the Local Government Nursing Order of the 11th. September, 1897, the duty of looking after such case would fall upon the Nurse of the Workhouse subject to the directions of the Medical Officer. The reason for doubt in this case is the fact of the Maternity Ward being apart from the Hospital, it is situated in the body of the House, and we consider it would be much more satisfactory to have this Ward attached to the Hospital.

8. Sister Alphonsus informed us that the Milk was boiled before being used.

9. We would not recommend the provision of Cradles in this case, as the Children sleep with the Mothers during the Night on Straw Mattresses on what we consider is a very good Boarded Floor. The reason for this is to safeguard the Children from falling out of Beds. They sleep in cots during the day.

10. We would not approve of this change.

11 & 12. Referred to Medical Officer.

13. Children are now being sent out for Country Walks in charge of two Attendants.

In reply to a query during a discussion on the Report, the Clerk stated that he was of opinion that the Officer responsible for the Nursing arrangements of the Maternity Ward, was the Nurse in charge of the Infirmary, as a Maternity Case was transferred to the Sick Classes and thereby was directly under the control of the Medical Officer and the Nursing Sisters.

Order. "Committee's report adopted. Motor Ambulance to be procured. With regard to that portion of the Report dealing with the Maternity Ward, the Board request the L. G. Board to inform them what Officer is responsible for looking after the Nursing Arrangements of this Ward."

RE AMALGAMATION OF UNIONS.

L. G. Board 31410/1918. Dated. 6th. July, 1918.
Giving the information asked for by the Board with regard to Unions in which Amalgamation Schemes have been adopted.

In accordance with Notice of Motion duly circulated Mr. Thomas Cleary moved "That the other Boards of Guardians in the County be asked to meet us for the purpose of discussing an Amalgamation Scheme for Co. Wexford."

Mr. P.O'Brien Seconded.

Passed Unanimously.

In the event of the other Unions agreeing to the proposal it was decided to invite them to send five delegates each to attend a Conference at Enniscorthy on 6th. August at 11-30 A.M. The following delegates were appointed to represent the Enniscorthy Board:-

Messrs:- J. Murphy, T. Mc.Carthy, P. O'Brien, T. Cleary & J. Lynch.

RE COMPLAINT BY WORKHOUSE TAILOR.

The Chairman stated that the Tailor had complained to him that the Tweed ordered by the Board on or about the 18th. June had not been delivered to him. This was in variance with the custom that had been in vogue during the Tailor's time as an Officer and during his Father's time. He wished to know what the Master had to say about the matter.
The Master stated that the Tailor had applied to him for one hundred yards of Tweed but that he had only procured Twenty yards, as he considered it was enough, as there were plenty of Clothes on hand.
The Chairman stated that the impression he had been left under by the Tailor was that he had been refused the material.
The Tailor was called before the Board and stated that he had applied for Material in April to last him for Six or nine Months. Only 20 Yards had been procured and that would only last three or four weeks.
After further discussion on the matter it was decided that the Clerk should furnish a return on that day fortnight, showing how the Stock in the House stood together with the number of Inmates, Men and Boys to be dealt with separately.

MASTER'S REPORT.

The Master reported as follows:-

"An inmate named Annie Toole would require some Clothes to enable herself and child to leave the House to fill a Situation."

Order. "Seventy Shillings worth of clothes allowed."

"The Potatoes will soon be used up."

Order. "New Potatoes to be dug up for use, the remainder of the old ones unfit for use to be handed over to Agriculturist."

"There is a deep hole in the Coalhouse up to 8 feet, it would be well for the Engineer to inspect same fearing it would injure the foundations."

Order. "Referred to Engineer."

"The Coal will be used up this week."

Order. "Master to procure neces ary supply."

"The Barber, Robert Murphy, is still in Hospital, I will have to employ a man in his place."

Order. "Approved of."

AGRICULTURIST'S REPORT.

The Agriculturist reported as follows:-

"I beg to report having had 38 Cocks of Hay sold by auction, they realized £106:10:0."

"I have the Tawny Oats cut, I would like to get instructions as to whether it is to threshed and the Straw auctioned as usual."

On the motion of Mr. Cleary Seconded by Mr. Lynch it was decided to have the Oats auctioned in Stack."

MEDICAL OFFICERS' REPORT.

Medical Officer reported as follows:-

"A Patient with Tumour and another with Cataract would require to be sent to Dublin for Operation."

Order. "To be sent."

Copyright: Wexford County Archive

The Clerk reported as follows:-

"As requested by you on the 10th. instant, I have investigated the Clothing Stock in as much as relates to Coats and Trousers for boys and men.

I found that the Stocktaker on the 31st. March made the following return of serviceable Clothing:-

197 Men's Coats and 174 Men's Trousers; 78 Boys' Coats and 107 Boys' Trousers. Since then 1 man's and 3 Boy's trousers have been made.

The number of Inmates at present wearing House Clothes or to whom House Clothes have been allotted consists of Forty-one Men and Six Boys, so on an average you would have nearly five Coats per man and over Four Trousers per man. Whilst the Boys' Clothing would work out at 13 Coats and over 18 Trousers per Boy.

In 1902 when there were some ten men more in the House and from Eighteen to Twenty Boys more, the Stock was:- 137 Men's Coats and 170 Trousers and 76 Boys' Coats and 149 Trousers, or an average of over two Coats and three Trousers per man and three Coats and Six Trousers per boy.

Since this question was raised five yards of Tweed have been utilized in the manufacture of these Boys' Trousers, from the Stock on hands these would appear to have been unnecessary. On the last occasion on which the matter was discussed a question was raised as to the authorisation for the 50 yards of Tweed recently purchased. I find on examination of Requirement Book that this was the amount of Tweed applied for by the Master and granted by the Board on the 14th. June.

The Master is apparently under the false impression that it is his duty to apply to the Board for material. That is not so, he should make application to the Master, the latter should then satisfy himself as to whether the Material is required, and if so apply to the Board for the amount he considered necessary."

Order. "Master to take the necessary steps to reduce Stock of Boys' Clothing."

Notice of Motion.

"Take notice that I will move on this day fortnight, Wednesday, 7th. August, 1918, that the Guardians dispense with the services of Timothy Moore, Tailor."

Dr. Kelly, Enniscorthy, wrote as follows:- "In 1879 when I was elected Dispensary Medical Officer. I was directed by the Board of Guardians not to leave the town of Enniscorthy on a Fair Day or on a day when there would be a Public Meeting, as there might be a danger of an accident happening. I have acted on that Order ever since, postponing my attendance at Clondaw or Oylegate under such circumstances until the next day (A Friday in the case of Clondaw and a Wednesday in the case of Oylegate) to Saturday and Thursday respectively. I did so on the last Fair day."

"On the previous Friday I was all day in attendance on an Operation Case and could not therefore attend. On inquiry at Clondaw I was informed by the Caretaker that there was no person at the Dispensary on the Fair day. They did not expect me."

"Should you wish to change the old order, I shall be satisfied and the responsibility will be on you."

In replyto the Chairman, the Assistant Clerk stated that he had looked through the Minutes and could find no trace of the resolution referred to by Dr. Kelly.

The Assistant Clerk further produced the Medical Officer's Report Book and read therefrom an entry for the 28th. June showing the Medical Officer's Attendance on that date as being from 2 o'Clock until 6 o'Clock.

The Chairman referred to the discrepancy between the Medical Officer's explanation and the entry in the Report Book. In the former he admitted he was not in the Dispensary, whilst he had an entry in his Book showing he was there from 2 o'Clock until 6 o'Clock.

The Chairman further stated that in an explanation to the Insurance Commissioners the Medical Officer had stated that he was attending a Midwifery case on the 28th. June.

The Clerk pointed out that it would be better ask the Medical Officer whether he was attending a Red Ticket Case on the 28th. June, as that would prevent him from attending at Dispensary. He was bound to attend on Red Ticket, otherwise, he should have been at the Dispensary.

A letter was now handed in from the Landlord of the Dispensary at Clondaw (Mr. James Connors) as follows:- "I was surprised to see in the paper a complaint against you for not attending this Dispensary on the Fair-day. No Doctor ever attended here for the last fifty years on a

Friday which happened to fall on a Fairday, that is well understood but of course would attend on Saturday, well, as there was no one here on the Saturday in question I sent you word, neither was there any Patient on the Friday in question. I really think it would be only waste of time to let you come the whole journey, when it was up to your time of coming that I had the opportunity of sending you a message."

Foregoing letter was addressed to Dr. Kelly.

After further discussion Mr. Murphy (Chairman) moved "That we call on Dr. T. J. Kelly, Medical Officer of the Enniscorthy Dispensary District to resign, owing to the unsatisfactory explanation which he gives for absence at Clondaw Dispensary on two different dates."

Mr. T. Cleary Seconded.

Passed Unanimously.

Dr. T. J. Kelly, Enniscorthy, wrote as follows:- "Referring to the discussion at the last Meeting of the Guardians and to the Minutes sent me by the Clerk. I would like to correct a misapprehension of the Guardians as to the entry of my attendances. The entry merely states that I was in Clondaw (meaning Clondaw Dispensary District) not Clondaw Dispensary House). The entry is strictly accurate as I was engaged on the date in question, 28th. June, at an important case at Tomsallagh. Previous thereto on the same date I attended a Private Midwifery operation in which I was requisitioned by Nurse Mc.Donald in Marshalstown and subsequent to my attendance at Tomsallagh I attended at Ballinaslaney on a red Ticket case. I may mention that the case in Tomsollagh was also a red ticket case."

"The above cases took my whole time on that date so that it was an absolute impossibility for me to attend the Dispensary. I can if necessary give the Guardians the name of the Red Ticket Cases and produce evidence of my attendances, but in a Public matter of this kind and dealing with delicate cases of the nature I am sure the Guardians would not expect me, a Medical Officer, to publish the details, neither do I think it would be fair or just to my Patients."

"As to my non-attendance on the 5th. July 1918, I can only repeat that it has been the custom for 40 years and upwards in this District not to leave Enniscorthy on Fair Days. This question was brought before the Guardians before about 20 years ago and the Local Government Board is aware of the practice. If the Guardians now wish to change the practice which has been in vogue for such a long period I am quite willing to fall in with their views as it makes no difference to me whether I attend on Fair days or the day following."

After a long discussion on the matter, it was eventually decided on the motion of Mr. Lett seconded by Mr. Fortune ~~xxxxxxxxxxx~~ "That Dr. Kelly be requested to produce the Red Tickets he received on the 28th. June, and that the Dispensary Minute Book be also produced."

John Redmond, Milehouse, wrote:- "I served Dr. Kelly with a Red Ticket that I got from Mr. Browne."

Guardians to supply all materials except ~~Slates~~ Paints. The House is at present covered with Shrubs which are damaging Eve Gutters, Window &c."

Order. "Approved of. Shrubs to be removed."

RE BALLAGHKEENE DISPENSARY.

Mrs. Walsh, Midwife, wrote as follows:- "I asked Dr. Connolly for permission to use the Dispensary yard, he told me to ask the Guardians that he had no call to the yard that it was no use to him. Send me the Key of the Dispensary Yard, I must put up some little Shed for my Ass and Car."

Order. "Permission to use yard and erect Shed Granted. Engineer to point out where Shed is to be erected."

Mr. F. J. Mc.Carthy, L. G. Inspector wrote as follows:-

"I beg to state that, in accordance with the instructions of the Local Government Board, I have made inquiries in reference to the Newtownbarry and Oulart Fever Hospitals, and I desire to append the following observations for the information of the Enniscorthy Board of Guardians."

"The Oulart Fever Hospital is in a very dilapidated condition being almost roofless. Considerable expenditure would be required to make it fit for habitation. I doubt whether the Building has any marketable value beyond what might be obtained for the stones and timber of which it is composed. It is in close proximity to the Dispensary Doctor's residence."

"The fact that the Guardians have had undisputed possession of the building since 1888 when the last Lease expired, would appear to preclude the possibility of any question being raised as to the right to dispose of the property."

"The Newtownbarry Hospital is in fairly good habitable condition. It has a good situation convenient to the Town and could be utilized for housing accommodation for which there is a demand. The building has two entrances and two staircases so that it could be converted into two Cottages each containing four good sized rooms. Some repairs will be necessary and the chimneys appear to require attention. The Guardians could either offer the building for sale as it stands, or hand it over to the District Council for Labourers Acts purroses. There is no land attached."

"The Tuberculosis Medical Officer has been allowed the temporary use of one of the rooms as a Dispensary."

"The Office of Medical Officer to the Hospitals should be abolished and the existing holders of the positions might, I think, be given the option of being pensioned or of having their salaries merged in their salaries as Dispensary Medical Officers."

Order. "Oulart Local Committee to meet on Monday evening at 6 o'Clock to consider how the Hospital could be best disposed of. County Council to be communicated with as regards Tuberculosis Dispensary. Question of Medical Officer and Caretaker to be placed on Agenda for next Meeting."

"I beg to apply for my annual four weeks Holidays from the 26th. instant. Dr. J. E. Dorner is willing to do my duty."

Order. "Leave granted. Dr. Dorner to do duty at the usual rate of remuneration."

The Master reported as follows:-

"A woman named Kate Goodisson was admitted to the Accident Ward on Thursday 5th. September, 1918 and died on 9th. September. She had in her possession the sum of £5 : 4 : 6, which I Hold pending directions of Board."

Order. "Admission by way of Loan. Cost of Maintenance to be deducted and balance retained by Master until the daughter proves her claim."

"I have been written to by Messrs:-O 'Flaherty, Solicitors, to bring the following letter written by them to me before the Board:-

Copy.

"We are instructed by Mrs. Hogan of Knockduff, Bree, that you told her that a child alleged to belong to her daughter had been left in the Workhouse as a deserted child, there is no truth in the statement that it was a deserted child, the child was the illegitimate child of Thomas Cooney he stated to Mrs. Hogan and her daughter that all he could do was to pay for the Child. Subsequently Mrs. Hogan brought the child to his house and left it there with his mother and there was no question of its being deserted or abandoned, Cooney's mother told Mrs. Hogan to leave the Child with its Father and she said she was doing, Cooney's mother kept the Child and kept it for 17 days before bringing to the Workhouse, and if it was put in the Workhouse other as a deserted child it was done under false pretences. We shall be glad to know what you propose to do."

Order. "Mother to pay for the Child's maintenance."

"Mrs. Bell, Slaney Place, Enniscorthy, working at Mr. Buttle was admitted to the Accident Ward on 5th. September suffering from a broken ankle."

Order. "To be admitted by way of Loan."

"Clothing, Bedding and Utensils would require to be brought in from Oulart and Newtownbarry Dever Hospitals before Stocktaking."

RE STOCKTAKING.

L. No. 42291/1918. Dated. 10th. September, 1918.

Referring to entry on Minutes of 4th, instant relative to the appointment of R.O.Browne to take and value Stock in the Workhouse at the close of the current Half-year and calling attention to Article 42 of the Union Accounts Order, 1905, from which it would be observed, that Mr. Browne was not eligible for employment as Stocktaker.

On the motion of Mr. Harte Seconded by Mr. Cleary it was decided to appoint Mr. Thomas Clear Stocktaker at a remuneration of £5.

Copyright: Wexford County Archive

The Guardians are satisfied that Mr. Clear is qualified to take Stock, as he had practical experience at the work of Stocktaking, previous to his present employment as a Journalist.

RE SUPERANNUATION R.O.KELLY.

L. No. 41515/1918. Dated. 10th. September, 1918.

Stating that they have had before them replies to queries respecting Mr. Laurence Kelly to whom the Board of Guardians propose to grant a Superannuation Allowance of £10 a year in respect of his services as late Relieving Officer in the Union. With reference thereto the L. G. Board desire to state, for the Guardians' information, that as Mr. Kelly has not 20 years service, he is not eligible for receiving a pension on the ground of old age. Having regard, therefore, to the recent judgement of the Court of King's Bench in the case The King (Bryson and others) versus Lisnaskea Guardians, the Guardians' Resolution of the 21st. ultimo granting Mr. Kelly a Superannuation Allowance is bad, inasmuch as the Guardians did not then judicially determine that he retired from Office by reason of permanent infirmity of mind or body- the only ground on which, in the circumstance of the case, he could legally be superannuated. If, however, the Guardians were satisfied from their own knowledge or by Medical Evidence that, at the time of his resignation, Mr. Kelly was permanently incapacitated for performing his duties, the Board will allow them to start the proceedings in this case de novo i.e. the usual calender month's notice should be given to each Guardian and a Resolution formally adopted at the expiration of this period voting an allowance on the ground of permanent incapacity. The Guardians should at once follow this course, otherwise the Local Government Board will be precluded from consenting to any pension being allowed Mr. Kelly."

Notice of Motion.

"Take notice that I will move on this day five weeks, Wednesday 16th. October, 1918, that the question of granting a Superannuation Allowance to Ex. R.O.Kelly be considered."

Signed. Thomas Cleary.

Dated. 11th. September, 1918.

RE CHARGES AGAINST DR. T.J.KELLY.

Dr. T.J.Kelly wrote as follows:- "I enclose in a closed Envelope the name of the woman I attended on a red Ticket from Mr. T.Behan, Timacross on the 29th. of June, 1918 and the name of her illness, I was delayed from going to Clonday on account of my attendance on her, and the time taken in going ~~from~~ to her ~~to~~ from Enniscorthy, until it was too late to meet any patient at Clonday. In fact there was (as I was informed) no person at Clonday on that day, And the Caretaker has orders from me to send me word if any case should turn up, in the eventuality of my being prevented by unforseen call of accident from attending at Dispensary, so that I may be able to see such Patient the following day. I request that the woman's name and illness be no given to the Press as such procedure would undoubtedly give her pain."

The name of the woman supplied was:- Mrs. Doyle, Tomsallagh suffering from Pneumonia and Influenza.

Order. "Mrs. Doyle to be written to and asked if she has an objection to publication, as Dr. Kelly has stated that he attended her on the date in question."

Mr. T. Hayes P.L.G. brought under the notice of the Board the following case (Ticket):- Letter from Mr. Hayes to Dr. Kelly on 31 July,1918:-

"My daughter, Mrs. has just told me you left a message with her for me stating you were after visiting Patrick Ennis, Mountfin and that it would be necessary to have the boy sent to Dublin on to-morrow for immediate operation. I would be glad to know if you have arranged with his Father and given him a Certificate of Admission to Enniscorthy Hospital and at the same time pointing out the seriousness of the case, so that when he arrives at the Hospital to-night, Dr. Furlong may be sent for and have the necessary arrangements made so as to have him sent by the early train to Dublin in the morning."

Copy of Dr. Kelly's reply:-

"I did not give a card for the Infirmary as I considered that a removal to the Infirmary and then a removal to Railway Station would gravely endanger a life now in the gravest condition. I did not see his father. You, as a Guardian, can act as you deem right, and on your action rests this man's life."

Mr. Hayes stated that on receipt of this letter, his wife had seen Miss Davis and the latter had brought him to Dublin on the following morning, he wished to know who would refund the expenses incurred by her.

The Clerk stated the Board of Guardians could do nothing in the case as the person referred to was not an Inmate.

Order. "L. G. Board to be asked to be asked if the Board might pay in this case, owing to its serioud aspect."

RE OULART AND NEWTOWNBARRY FEVER HOSPITALS.

The question of the disposal of the above Fever Hospitals was next taken into consideration, Oulart was first dealt with, the following resolution being read from Oulart Farmer's Association.:-

and put in proper rerair and retained for the purpose for which it was originally built by Public Subscription."

Mr. J. Cooney spoke on behalf of the resolution, but the Chairman ruled it out of order, as the Board had already decided to discontinue its use as a Fever Hospital.

Mr. Cooney handed in a Notice of Motion, to rescind abolishing resolution which the Chairman refused to accept, it was not countersigned by two Members.

Eventually it was decided on the motion of Mr. Mc.Carthy seconded by the Chairman "To invite tenders for this day fortnight for the purchase of the premises as it stood, person accepted to take it down and draw it away. The Engineer to draw out a Specification allowing sufficient portion of the Wall to remain as fence to the Medical Officer's yard. Material to be drawn away within six months."

RE COMPLAINTS AGAINST DR. T.J.KELLY.

The Clerk reported as follows:- "In accordance with your instructions on Wednesday last, I wrote to Drs. Kelly and Pierse informing tne former that he had been suspended and the latter that he had been appointed to act temporarily in the Enniscorthy Dispensary District. On the 27th. September, I received the following replies:-

Messrs:- O'Flaherty & Son, Solicitors on behalf of Dr. Kelly:-

"Dr. Kelly has handed us your letter to him of the 25th. September, 1918. We are much surprised that the Guardians should purport to act on the ex parte statement of Mrs. Doyle without any inquiry, in addition the Guardians have no power to remove or suspend Dr. Kelly, and we are writing to the Local Government Board calling their attention to the matter."

I replied to above letter and pointed out that the Guardians had power to suspend but not to dismiss.

Dr. Pierce wrote:- "In reply to your letter received to-day, I beg to inform you that I cannot take up temporary duty in the Enniscorthy Dispensary District, until the Local Government Board give their decision re the non-attendance of Dr. T.J.Kelly at Clondaw as it would be against all rules of Medical Etiquette and Trades Unionism."

On receipt of foregoing letter I sent for Relieving Officer Browne and instructed him to call on the remaining Medical Officers to see if any of them would act. Mr. Browne having done so informed me that none of the Medical Officers in town would consent to act under the circumstances. I then wrote full particulars to Local Government Board and asked them to wire me instructions, as Monday was Dispensary day in Enniscorthy.

On the 28th. ult, I received the following telegram from Local Government Board:- "The Board have removed suspension of Dr. Kelly pending holding of a Sworn Inquiry."

I then wrote Dr. Kelly to continue doing duty and I also notified the Relieving Officer

Since then the following correspondence has been received in connection with the matter:-

Copyright: Wexford County Archive

Local Government Board wrote 30th. September. No. 45666/1918:-

"With reference to your letter of the 27th. instant, relative to the suspension of Dr. T.J.Kelly, Acting Medical Officer of the Enniscorthy Dispensary District of Enniscorthy Union, I am directed by the Local Government Board for Ireland to state that they have instructed their Medical Inspector, Dr. Browne, to hold an Inquiry on Oath into charges recently preferred against Dr. Kelly and to report to them thereon. Dr. Browne will give due notice of the time and place which he may fix for Holding the Inquiry. Pending the result of the Inquiry the Board have removed the suspension in Dr, Kelly's case."

Dr. T.J.Browne, Medical Inspector, Local Government Board, wrote as follows:-

"I am directed by the Local Government Board for Ireland to hold an Inquiry on Oath into a charge preferred against Dr. Thomas J. Kelly, Acting Medical Officer, Enniscorthy Dispensary District, that he failed to attend at Clondaw Dispensary on the days appointed for his attendance thereat and that he failed to supply a patient named Redmond with Medicines. I will hold the Inquiry at the Enniscorthy Workhouse on Tuesday next the 8th. October at 10-30 A.M. and request that you will be good enough to acquaint the Board of Guardians and all others concerned of this arrangement. The Caretaker Clondaw Dispensary and all other necessary witnesses should be in attendance. If necessary summonses will be issued for the attendance of necessary witnesses."

The Clerk stated he had written to Dr. Browne suggesting the postponement of the Inquiry, as it clashed with the Quarter Sessions, at which the Board's and Dr. Kelly's Solicitors would be engaged, whilst they were also interested in cases themselves.

The Clerk also stated that the Board's Solicitor had waited on him and asked that a Committee be appointed to instruct him as to what course of procedure should be followed at Inquiry.

On the motion of Mr. Murphy Seconded by Mr. Cleary, it was decided unanimously "That the Members present constitute themselves into a Committee at the conclusion of the Board's Meeting for the purpose of instructing Solicitor."

L. No.50875/1918. Dated. 8th. November, 1918.

Stating that theybhad received the report of their Medical Inspector Dr. Browne, relating to the Inquiry on Oath recently held by him into charges preferred by the Guardians against Dr. T.J.Kelly, Acting Medical Officer of the Enniscorthy Dispensary District, to the effect that he had failed to supply Medicines from the Di-pensary Stock to a patient named Mrs. Redmond, and had neglected to attend at the Clondaw Dispensary Depot on the 28th. June and 5th. July last. A copy of the Minutes of Evidence taken at the Inquiry is enclosed for the Guardians' information.

1. Failure to supply Medicines from Dispensary Stock to Mrs. Redmond.

There is no dispute as to the facts in this case. Mrs. Redmond was ill in May last, and a visiting ticket was procured and presented to Dr. Kelly who attended and told Redmond that he was not supplied with the Medicine he considered most suitable for the patient. Dr. Kelly instead wrote a Prescription and Redmond purchased the Medicines locally at the cost of 7/-, Redmond, who is a labouring man, complained to Mr. Stafford, Poor Law Guardian with a view to his being refunded the expenditure (7/-). There were drugs at the Dispensary that might have been used, but the Acting Medical Officer did not consider them as suitable for the case as the proprietary article, dieurentine, which he prescribed and which he had tried in other similar cases with marked success. Dr. Kelly stated that he would have paid for the Drug himself had Redmond been unable or refused to purchase it. Mrs. Redmond became well under the treatment and the Board see no reason to take exception to the Medical Officer's action in the case.

2. Non attendance at Clondaw on 28th. June and 5th. July.

The fact of non-attendance on both days is admitted. The Medical Officer's explanation as regards the 28 h. June was that he had been busy all day attending private and Dispensary Patients, including a Mrs. Doyle of Tomsallagh. This woman however stated that she was in good health on the 28th. June, but became ill on the 29th. and was attended on ticket by Dr. Kelly on the 3rd. July. The ticket in the

Copyright. Wexford County Archive

case was not forthcoming and the evidence as to the date was conflicting. An Attendance and Report Book for the Depot is not kept. This omission should be remedied. The ground for non-attendance on the 5th. July was that a fair was being held on that date at Enbiscorthy and under an old custom or arrangement the Medical Officer remained in the Town on all Fair days so as to be available for urgent accident cases that might arise. The Board are not aware of any sufficient reason for thi custom or arrangement and consider that it might be discontinued. The Board have to add that if the Medical Officer be unable owing to any sufficient cause to attend an outlying Depot on the fixed day he should arrange with the Dispensary Caretaker or some other person that all red tickets left at the Depot be transmitted to him at once to Enniscorthy for prompty attendance thereon, and furthermore he should visit the Depot on the next day and afford Medical Relief to all the patients who had been disappointed on the Dispensary Day.

Order. "Dr. Kelly to be asked to supply particulars of the cases in which he alleged the Board refused to supply Medicine or pay for same when requisitioned By him. Meeting to be summoned to consider reply at which Solicitor is to be present."

RE INFLUENZA OUTBREAK.

Dr. T.J.Kelly, Enniscorthy wrote as follows:- "I find that the pressure of the present trouble is too much for me to cope with successfully doijg justice to the Sick poor. I request that you will for the continuance of the Epidemic provide me with a Doctor to take at least half the work and the night work. I feel certain that if properly arranged with Dr. Pierse will undertake the work."

Order. "Necessary arrangements to provide assistance for Dr. Kelly to be made."

Mr. Murphy R.O. wrote:- "As Dr. Lawler is not able to attend to all cases in Newtownbarry Dy. Dt. I recommend that Dr. Dormer be appointed to assist him."

Order. "R.O.Murphy to obtain the assistance of Dr. Dormer on the best possible terms."

MEDICAL OFFICER'S REPORT.

The Medical Officer reported as follows:-

"I was quite astonished at Mr. Connolly's remark last Board day "that the Fever Hospital was capable of accommodating 67 Patients"- truly he must have been dreaming of byegone days, when the Hospital lawn was full of Fever Sheds. As a matter of fact we have only four small wards capable of holding just six patients each or 24 in all and not 67 as Mr. Connolly stated. I would like a Committee to examine the place but fearing they would not like to go at present, I append a rough sketch of the Wards which are all alike. It would be remiss of me not to express my gratitude to the Board for refusing to

accede to my request that the Dispensary Doctors should be notified not to send in Patients when the Hospital was full. However I feel that I have sufficient authority to refuse to admit Patients when there is no longer room for them and I therefore advise you to provide suitable accommodation for such Patients as would be wantonly removed from their Houses in consequence of your refusal to accede to above request made by me. I have had to requisition the services of an extra Nurse, more than a week ago and even yet there is not sufficient help to nurse all the Patients in Hospital.

The Clerk stated that when this matter first came before the Board, there were only some Nineteen Patients in the Fever Hospital, as a result of the Board's Order, 26 were accommodated there, as regards the accommodation in the Fever Hospital, the number shown on the Returns here was 67, but he was not able to state whether it was correct or not. Two of the Dispensary Doctors had informed him that the Poorer Classes were in a very bad way, whole families being laid up with no one to give them a drink.

In reply to a query as to whether there was any accommodation in the Workhouse, the Clerk stated that there were two Wards unused, which the Military had proposed to take over, in which they were going to accommodate Fifty Soldiers, but which they did not now require.

Order. "Dr. Furlong to provide all possible accommodation and to utilize empty Wards if necessary."

"Milk is very deficient for the past rortnight and as this is a very sickly time, this should be seen to."

Order. "Contractorsto be written to."

"Dr. Pierse is entitled to a Fee of £3:2:0 for assisting me at an Operation on the night of the 3rd. October."

Order. "To be paid subject to sanction of Local Government Board."

Drs.M. Delany wrote as follows:- "I have been requested on behalf of Dr. Connolly, Dr. M. W. Kelly and myself to apply to you for a bonus in respect of the present unprecedented work. We would have applied for qualified Medical Assistance like the pther Dispensary Medical Officers only that it would have been impossible to get anyone to reside in our Districts. Consequently we have to do an amount of work never previously thought of or expected of us. We are seriously overworked and seldom have a full night's rest. One of us is as a consequence suffering from Heart Symptons. Further travelling expenses have increased very much owing to the increased work. Motor expenses are very high as shown by the cost of hiring and private Motors are just as expensive as hired ones. We therefor e confidently appeal for increased remuneration and suggest a bonus of £2:2:0 per day to each Medical Officer, who has had no Professional help, dating say from 25th. October."

RE CHAPLAIN'S SALARY.

L. No. 58030/1918. Dated. 16th. December, 1918.

Referring to resolution on the 27th. ultimo proposing to increase the Salary of Rev. J. Rossiter, Roman Catholic Chaplain of the Workhouse from £100 a year to £130. With reference thereto, the Local Government Board desire to state, for the Guardians' information, that the average salary paid to Chaplains of Workhouses classed with Enniscorthy as regards the daily number of Inmates is £92, and it is not therefore reasonable that a Chaplain who a little over two years ago accepted Office, knowing that his remuneration would be £100 a year, should now receive and additional £30, thus brining his salary more than 40% over the average.

Order. "The Board of Guardians would point out the following facts to the Local Government Board.:-

(1). Enniscorthy is a very large Parish, as a result of which it was necessary to have a Chaplain secured for the Workhouse alone; as the Priests stationed in Enniscorthy could not find time to attend at the Workhouse in addition to their own duties. Thus at present the Chaplain attending at the Workhouse is stationed in Enniscorthy for that purpose alone.

(2). It was only by the exercise of great pressure, Rev. J. Rossiter was induced to have the Chaplain continued on the resignation of Rev. R. Fitzhenry at a salary of £100.

(3). Although the name of the Chaplain appointed must be, according to the rules of the Diocese, the Adminstrator for the time being of Enniscorthy, yet a Special Priest is provided for the purpose, from which it will be seen that Rev. J. Rossiter is only nominally Chaplain and if he were transferred from Enniscorthy to-morrow, a new appointment would be made appointing his successor, as Chaplain, whilst in reality, the same Priest as at present would actually be doing duty at the Workhouse. Thus whilst a Chaplain would apparently be holding and appointment for a short period, the man doing duty would be there much longer.

(4). Mass is celebrated daily in the Workhouse at Seven o'Clock, the Children receive Religious Instruction, the Chaplain has also to attend all sick calls, and also to attend the Confessional Weekly at different

hours.

From the above the Board of Guardians are convinced that a Chaplain at present could not be expected to devote his whole time to the Institution at a less Salary than £130 and they respectfully request the Local Government Board to sanction that amount."

RE OUTSTANDING PAYING ORDER.

L. No.58030/1918. Dated. 16th. December, 1918.

Referring to Minutes on the 27th. ultimo relative to a Paying Order issued by the Board of Guardians to Mr. Patrick Doyle on the 3rd. October, 1917, which had been allowed to become out of date and requesting to be furished with a further explanation as to:- (a) how the Paying Order happens to be marked paid by the Bank. (b) how it has again got into possession of the applicant or other person. (c) whether you have ascertained that it has not been charged to the Account of the Rural District Council.

Order. "The Clerk stated that when the Bank Pass Book was furnished to him, the Paying Order was marked as paid. This was in July last, he drew the Treasurer's attention to the matter and as a result the amount of the Paying Order was credited to the Board of Guardians. This would account for it having been marked paid by the Bank.

(b). It appears that after the Treasurer's attention had been called to the matter, he returned the Paying Order to Mr. Doyle, as the latter brought it to the Office of the Board of Guardians himself.

(c). Paying Order has not been charged against Rural District Council."

RE LEAVE OF ABSENCE.

Mr. B. Boggan, Porter, wrote applying for a week's leave of absence to enable him to have his eyes attended to.

Order. "Leave granted. Master to procure a Substitute."

VOTE OF CONDOLENCE.

Mr. M. Ryan, Coolnaboy wrote thanking the Board of Guardians for their Vote of Sympathy in his recent bereavement.

Also pointing out that the School Attendance was most irregular and stating that the Guardians should make the necessary order in the matter. Inquiring if P. Goodall was medically attended.

Order. "Relieving Officers to furnish their Reports punctually in future and to caution the Foster parents to send the Children to School regularly."

Mrs. Ellen Courtney, Ballymurtha, Enniscorthy, wrote as follows, 11/2/1919:-

"I appeal to your Board as Guardians of the Poor to call on Dr. Connolly, Medical Officer of Oulart District, to give an explanation of his Conduct in attending my late son, Patrick Courtney, Garrantrowlin, Kilcotty. I will explain the whole case to you so you can see for yourselves, whether I am justified in making this complaint or not. My late son, his wife and two Children, was ill from 26 and 27 of January. I got word and went to them on 30, they were both in a bad way, my son told me he took it with a shivering and a pain across his back just under the Shoulders. I suspected Pneumonia at once and went to send someone for the Doctor. I met Father Cavanagh C.C., Glenbrien going to attend some neighbour and asked him in to see them, he told me my son was in a very bad way and adminstered the last Rites of the Church and done all he could for both and told me to send for the Doctor at once. I sent a Messenger for Dr. Connolly, first he said he would not come but he changed his mind and came, he used his instruments to examine them and gave me some little powders to give them and he then said I thought by the Message I got you were dying but you will be alright in a week. I told him that Father Kavanagh said he was very bad, but he only laughed at the idea of his being bad. I asked him if his lungs were affected and he said not yet. My son got worse and the Doctor was sent for on Sunday 2 February, he asked what he was wanted for and was told they thought he had Pneumonia and his answer was whoever said that let them cure him. I wont go for a couple of days, he came on Tuesday afternoon and examined him again, I asked him again if his lungs were bad and he said no they are alright but told him he would not be able to go out for three weeks or a month, he had a sort of white grin on him all the time and he would give me the impression he was poking fun at poor sick people. Well my son could not catch a breath on Wednesday morning he was as bad as could be, I started poulticeing him then and kept to it till he could bear no more, but I am sorry to say I was too late he was too far gone and when Dr. Connolly called on Friday, I had

the Candle in his hand, he was dying, his Wife asked the Doctor if he could do anything for him, he said it was too late now the man is dying. I told him he was a smart man to know that and gave him a bit of my mind and told him he would take that man's death on his conscience. He was a healthy strong man of 30 years and if the Doctor had to say he had Pneumonia the first visit he came and treat him properly, it is likely he would be alive to-day, he died on Saturday the 8 day of February and left a widow and three small Children. I like to know why the Doctor did not tell me what was wrong the first time he came if he knew himself and if he did not he is not worth what Powder would shoot him and absolutely useless as a Medical Officer. I hold him responsible for my son's death."

Order. "Copy to be sent to Dr. Connolly for his observations."
