DIRECTIONS FOR USING

THE

Pen Duplicate and Triplicate Books

MANUFACTURED BY

DOLLARD, Printinghouse, DUBLIN, Ltd.

Place a sheet of one-sided carbon paper, face downwards, between the first and second leaves, and then the sheet of black board after the Duplicate. Write upon the first leaf with a Duplicator or Manifold Slip Pen, and two copies will be the result.

In the case of a Triplicate Book, a sheet of two-sided carbon paper is placed between the 2nd and 3rd leaves, and then proceed as above.

A CARBO-PLATE can also be supplied to take the place of the black board. This is a plate which grips the carbon, and at the same time provides an extra hard plate, made of aluminium, which gives an extra clear copy, and enables the carbon paper and support to be placed in position for writing and withdrawn without touching the carbon with the hands.

The following Letters from the Local Government Board for Ireland, and others, were read by the Clerk, and directions given to answer them respectively, to the following effect (or Orders made on them respectively, as follows):—

N° 26,488 June 13/18

Read a letter from the Clerk to the Food Control Committee, regarding the prices of Contracts for Supplies to the Workhouse, has been forwarded by them to their Office & in reply, states that in the case of articles coming within the Food Controller's purview, Contract prices must be subject to any regulations that may be made by him & are not to exceed, though they may be below, the maximum prices fixed from time to time during the currency of the Contract. While the Contract price of an article should be lower than the fixed maximum otherwise the advantages arising out of the Contract would be altogether with the Traders Concerned. The Board, nevertheless, think that in order to meet the hardship resulting from abnormal price fluctuations, it would be well when issuing advertisements that tenders are invited, it will be accepted on the understanding, that should the Food Controller deem it necessary to increase or decrease the maximum prices at which the articles advertised are to be Sold, the Contract price shall be increased or diminished accordingly.

Read letter from the Controller of Cross Channel Transportation re Coal Consumption, requiring a return relating to the amount of Coal consumed.

Read letters (2) from Messrs P. J. O'Flaherty & Son, Solicitors, relating to the registration of the Matron's bond. Stating it is the Warrant of Attorney that should have been signed Order to be returned.
