The Report of the Visiting Committee was read, and Orders were made thereon as follows:—

Cream per Centage for Week ended 19th April 1900

"The Master to call attention of the Contractors to their respective per centage."

The Master reported as follows:-

Mr Lacey has supplied the Carpet for the Altar in the Chapel, Will the Board please have it inspected with regard to the number of yards applied for in the first instance (25) it was found when the place intended to be covered with it was measured that it would take 40 yards

"Messrs Bolger J.P. P Bolger & James Doyle inspected and reported equal to Sample."

A Woman named Margaret Byrne remains in the Probation Ward who the Medical Officer would not admit to the body of the house as he did not consider that she should become chargeable to this Union,

She is a native of Camolin in the Gorey Union, but was for some time employed about Newtownbarry where she got married, it is very likely if admitted here she and her child which is about to be born will become a permanent burden on the House.

"To be admitted the Master to make the necessary enquiries."

The following Letters from the Local Government Board for Ireland and others were read by the Clerk and directions given to answer them respectively, to the following effect (or orders made on them respectively, as follows):—

L No 19926 · 1900
5th April 1900

Forwarding Copy of the Report of the Auditor Mr C Pelly on his audit of the accounts for half year ended 30th September 1899 together with attested abstract of the accounts.

The Auditor's Memo on the Out Door Relief Account reads as follows:-

I I find a practice exists very generally in this Union of having the cases of Applicants for Outdoor relief entered on the Relieving Officers books, on Board day's at the instance of individual guardians, and having the relief ordered without giving the Relieving Officers an opportunity of inquiring into the circumstances of the case, and in one particular instance a case was named in which relief was authorized without any application whatever having been made by the person himself or to his knowledge at the time.

II In the distribution of out door relief a system prevails, especially in the district of Jerome Murphy, of leaving the money at certain houses for the recipients, many of whom he rarely sees or visits at their homes.

III With the exception of Relieving Officer Whelan, neither of the other Relieving Officers keeps a Diary showing the duties performed as required by the Regulations.

Order "The Relieving Officers to carry out the Auditors instructions."

12th April, 1900.

DEAR SIR,

I am directed by the Board of Guardians of Shillelagh Union to transmit you the subjoined copy of a Resolution adopted by them on 6th instant, and to request that you will be good enough to submit same to your Board at their next meeting.

Yours faithfully,

J. HOPKINS,

Clerk of the Union.

To the Clerk of each Union in Ireland.

Proposed by Mr. Fleming, seconded by Mr. Donohoe, and resolved—"That, in the opinion of this Board, the power vested in the Local Government Board under the Local Government Act makes the Act unworkable, for as it exists at present it is only a new patent taxing machine.

"1st—By their action in the increase of taxation, and it may justly be contended that the representative or elected bodies have no control over the expenditure which is unjustly imposed upon the country.

"2nd—The landlords of Ireland being exempt from all taxes and drawing an immense amount of money as their portion of the Local Government Act, their friends and nominees who constitute the Local Government Board are now doing all in their power to embarrass the already overtaxed people by increasing the salaries of certain overpaid officials, who have less duties to discharge.

"3rd—That we cannot view their motives other than to heap discredit on the newly elected bodies. We earnestly ask the hearty co-operation of all public bodies in protest against the arbitrary action of the Local Government Board."

Supplemental Minute Sheet

## ENNISCORTHY GUARDIANS.

Mr Thomas Hayes, chairman, presided. There were also present—Messrs J O'Gorman, J P; J Cullin, - P; T Bolger, J P; A Whelan, T Asple, M Kavanagh, J Doyle, P Redmond, junr; M Cowman, P Bolger, J S Atkins, T Cleary, A Kelly, L Cardwell, J Hennessy, A Gough, M'Cooney, M Codd, M Dempsey, D Doyle, W Kennedy, J Whelan, J Lynch, T Behan, D Rowland and J Johnson.

Was the Van Man Drunk?

Mr Atkins called attention to the conduct of the van man, John Breen, in being under the influence of drink whilst driving the van to Ballyvaloo. It took him from 2 o'clock in the day, until 2 o'clock in the morning to cover the distance, and the man was so bad that he fell off. It was disgraceful to see the van going out in charge of such a man. What would happen if a por sick patient was in the van at the time?

Mr P Bolger—As far as I understand he was not going for a patient at all. He was going for some dirty clothes. I think he would want a sup to do that. Mr Atkins—I don't object to his getting a sup if he gets it at the proper time, but this man fell off the ambulance van going into Blackwater. Mr Cleary—It is not to be encouraged at all, and I would put my foot down on it if I could. If he went for a patient the same thing would happen. If the guardians don't take serious notice of it he would do the same thing again. Mr Atkins—You must keep up the dignity of the establishment (laughter). Mr Cleary—We will endeavour to do that, but I am sure we never will.

It was decided to have Breen brought before the board. Mr Atkins—Do you remember 9th April going to Ballyvaloo with the ambulance van? Breen—I do. Mr Atkins—You left this at 10 minutes past 2? Breen—I don't know what time I left. Mr Atkins—Do you know what time you arrived in Blackwater? Where did you make the first stop after leaving Enniscorthy? Breen—I don't understand. I might stop anywhere. Mr Atkins—Did you see Jerry Murphy? Breen—I don't think I saw Jerry that day at all. Mr Atkins—I don't think you did. Who accompanied you to this man Curran's, where you went for the clothes? Breen—I hadn't anyone to accompany me only the girl that was sent with me. Mr Atkins—But what was the cause of the girl standing up before you in the ambulance van driving through the country? Breen—She left the car, and would not stop in it. Mr Atkins—What made her leave? Breen—I don't know. She said she could not stop any longer. Mr Atkins—Were you capable of driving? Yes, sir, certainly; but the horse tired and ran the car back. The horse struck me with his head and knocked me down. I give you the truth of it. Mr Atkins—What was the cause of the girl standing up before you? She had not room to sit down, and it was not the first time she had to do it. She had to get out going to Tomsollagh before, and would not stop in it. Mr Atkins—What kept you from 2 o'clock until the next morning going to Ballyvaloo? Breen—Begor I think I worked well. The horse wasn't able to draw the yoke, and the skin was out trying to make him go. Mr Atkins—Did you see Jerry Murphy that day? I don't know whether I saw him or not. Mr Atkins—Did you see a glass of whiskey that day? I did sir—two glasses. Mr Atkins—Who gave it to you? Breen—I took it with me from this, and if I was going to do the same job again, I would not do it without a glass of whiskey (laughter). Mr Cleary—It is very necessary always (loud laughter).

Mr Atkins—Was it necessary for you to spend from 2 o'clock till 2 o'clock in the morning to go to Ballyvaloo?

Breen—Well, I think I hadn't much to carry me.

Mr Atkins—Well, I saw you and the girl and the horse, and I don't think you were capable of driving.

Breen—Indeed I was. Mr Atkins—Did you see me? Breen—I don't know. If I saw you I would know you. Mr Atkins—Do you know where the cross-roads of Inch are? Breen—Yes. Mr Atkins—Did you and the girl and Jerry stop there? Breen—I don't know whether it was Ballyvaloo I was going to that day or not.

Mr Cleary—He doesn't remember Jerry, and that is enough. Mr Atkins—Jerry was with him, and he does not remember it. That proves the whole thing against him. Can the girl be produced? Clerk—She is laid up with the sickness. Mr Cleary—You must leave the matter over until Jerry Murphy, who is sick, is able to come in. Mr P Bolger—Oh, leave Breen off light this time. Mr Atkins—We can't let him off light. We have a duty to perform to the public, and we must do it.

Mr Atkins—There's a screw loose somewhere. It was scandalous to see the woman standing up driving the horse. You would think it was a circus (laughter).

Mr Cleary—She must have had a look at the bottle too. Mr Atkins—Yes, I heard people say that she seemed under the influence.

It was decided to postpone the consideration of the matter for the attendance of Mr Jerry Murphy, R O.

There was also a change in the Manner of giving the questions with which they were totally unaccustomed. I was very much surprised that they did not go on more satisfactorily as I considered them both at their Sums than boys of same class who passed creditably at previous examinations here. I wish to remark that during the Results Year I taught them for two hours every evening after Supper

ordered to be procured

The Medical Officer reported as follows -

At the request of the Board I have examined the privy of the School boys Yard and the, I went there without giving any previous notice. I found it as clean as the condition of the Apartment would permit. The Construction of the place is altogether at fault and lends itself to a most unsanitary state of affairs. I would suggest that a Committee be appointed to meet me when the matter could be fully discussed. Ordr. "A Committee will meet the M.O. at 2 p.m. on Thursday 31st inst in reference to above"

Port Wine Analysis

As Sir Charles Cameron has apparently selected No 7, I have no doubt he is correct as I have not seen the samples. No 4 is stronger as a Stimulant but the Analyst does not say whether the alcohol is added or not, under the circumstances it would be safe to select No 7

Ordr "No 7 selected by Analyst accepted from Aidan Harper at 1/4 per bottle"

The following Letters from the Local Government Board for Ireland and others were read by the Clerk and directions given to answer them respectively, to the following effect (or orders made on them respectively, as follows):—

In re
Purchase of Workhouse Farm.

Mr ODempsey Solicitor wrote as follows.

Copy of Letter addressed to JC Roberts Agent D Lord Portsmouth

Dear Sir,

In reference to your letter of the 21st April the guardians have taken the same into consideration and have passed the following resolution Viz.

"Resolved - "That the Board purchase the Farm out at 22 Years
"purchase of the net annual rent, all rent to be
"paid to date of Signing Agreement."

Ordered "The matter referred to Mr ODempsey to nego
"tiate with JC Roberts as to the exact figures to
"be inserted in the agreement."

As this is not agricultural land within the meaning of the Local Government Act 1898. I apprehend that the rent is to be ascertained by deducting from the gross rent of £105:5:10 the deductions allowed for poor rate.

Copy of Letter from JC Roberts in re above.

Dear Sir,

In reply to your letter of 23rd May, his Lordships Offer was 22 years purchase on the gross rent, and your Clients resolution refers to 22 years purchase on the net - As no rates will be payable by your Clients when the purchase is carried out and as the rates on his Lordships half rent assessed on your Clients are not deductable from the rent, the net rent is strictly speaking, the same as the gross. However as I understand the Board claims a deduction for the rates on the Half rent, his Lordship in order to meet you amicably will be satisfied with 22 years purchase

on a rent of £100 instead of £105 : 5 : 10 thus allowing £5 : 5 : 10 for the Poor Rates, also asking in whose name the agreement is to be prepared.

Order "That our Solicitor agree to this proposal.

The following Letters from the Local Government Board for Ireland and others were read by the Clerk and directions given to answer them respectively, to the following effect (or orders made on them respectively, as follows):—

and if so, they would be glad to know what decision the Guardians have arrived at in the matter

The Guardians have not yet taken the matter into consideration but intend considering it on the 27th inst.

Mr J Hennessy proposed and Mr J Cleary seconded and passed unanimously

Resolved

(1) That this board decline to send any delegates to be held in Dublin on the 19th inst, as we are convinced that the unity so much desired cannot be promoted by the coming Convention, owing to the way it has been jerrymandered by Mr Wm O'Brien and his paid organisers.

(2) We believe if the Convention was intended to promote unity that fair representation should have been given to the clergy of all denominations, the members of the Irish Parliamentary Party, delegates from the county councils, rural district councils, urban councils and boards of guardians, which are duly elected on a broad and popular franchise, and which fully represent the views of the people of this country.

(3) We consider if such adequate reresentation were given it would establish unity on a permanent and lasting basis.

(4) That a copy of this resolution be forwarded to Mr John E Redmond, Chairman of the Irish Parliamentary Party, and we beg to assure him that we are prepared to sustain and support the Irish Parliamentary Party under his leadership if he takes immediate steps to have the coming Convention thoroughly representative of the people of Ireland.

L No 30050 1900
Dated 23rd May

Requesting the Guardians to take into consideration the propriety of calling upon the workhouse ban Driver for his resignation
Mr Sinnott proposed and Mr Fortune seconded and it was unanimously resolved
"That as the Ambulance Driver John Breen has been in the employment of the Board for over 22 years and during that time has been out for patients on an average three times a week day & night and at all hours late and early and in all kinds of weather and he was never known to come home under the slightest influence of drink, our predecessors had every confidence in him and the present Board have no reason but to have confidence in him also - he is thoroughly honest, upright, and careful of the horses and everything else in his charge. It is but fair to state that on the occasion on which he

We therefore most respectfully request the Local Government Board to be pleased to let him off this time with a caution and if there are any further complaints the Board will call on him to resign"

[These Reports are to be made up and forwarded by the Medical Officers to the Board of Guardians quarterly, viz., on the 31st March 30th June 30th September and 31st December.

Reports (Form P, containing the names of Children born in the District who are over three months of age and have not been vaccinated) from the Medical Officers of the following Dispensary Districts, viz. :

were laid before the Board, and directions given thereon as follows:

L'to 28672. 1900
Dated 29th May

Forwarding evidence of Inquiry on Oath of the Charges preferred against the Medical Officer and Midwife of the Clontrocle Dispensary District and stating they would be glad to receive an expression of opinion on the subject from the Guardians

Mr W Kennedy proposed and Mr J Furlong seconded

"That a ~~Censure~~ vote of Censure be passed on Dr Delany

As an Amendment Mr O Boyle proposed and J Lynch seconded

That Dr Delany is Known as the most Kindly disposed Medical Officer to the poor that possibly could be, and this is the first accusation that has ever been brought against him and as we are Opposed he Showed a want of Judgment in not visiting the patient during the 2½ hours he was in Clontrocle. Still we are convenced that as far as professional treatment and Kindness are concerned, there could not be found a more painstaking Medical Officer and we have full confidence in his ability to perform the duties imposed upon him"

On a poll being taken on the Amendment 26 voted for and 4 against 9 did not vote or left The Amendment was therefore carried by 26 to 4

The Orginal Resolution was lost by the same majority

Mr Chairman and Gentlemen

I am taking the liberty of letting your Honorable Board see that Mr John Sinnott of Ballyedard told a lie on me at the Board held on the 27th June that I refused going with a young man on a ticket the man had no ticket that came and I was on anathr case. I told him to go for the Doctor and if there was any delay to come back for me again as I knew I would be ready to go with him. I wrote to Mr Sinnott he put the blame on the Press so I ask the Board to see that it was a lie Mr Sinnott told I will be ever anxious to comply with the Board respectfully but I wish not to be told a lie on behind my back I thought little on my own behalf to quit the Board satisfaction to see Mr Sinnotts statement was a falsehood

I remain

Mr Chairman and Gentlemen

Your obedient Servant

re

Death of Bryan Bolger Esqr

Mr Lindon proposed } Passed
Mr Lynch Seconded } Unanimously

"That it is with sincere regret we have to discharge the melancholy duty of tendering to our respected colleagues at this board—Messrs Thaddeus and John Bolger, of Ferns—our sincere condolence and deep sympathy in their sad bereavement caused by the death of their deservedly and much respected lamented brother, the late Mr Bryan Bolger, County Councillor for the electoral division of Ferns, so remarkable for his great kindness to the poor and manly straightforward qualities towards the community in general. The loss sustained by his death at a comparatively early age, not alone to his own friends and family, who naturally feel it keenest, but to the artizan and labouring classes of Ferns and the immediate neighbourhood, is almost irreparable at the present time and under the present circumstances. With a view to endeavour to lighten to some extent the oppressive grief which must weigh so heavily on his broken-hearted wife and young helpless children, we hereby beg to tender them our heartfelt sympathy in their great affliction. That copies of this resolution be forwarded to Mr Thaddeus Bolger, J P; Mr John Bolger, Rev David Bolger, and Mrs Bolger, and children."

The Rate Books.

The following resolution was proposed by Mr Lynch, seconded by Mr Rudd, and passed, "That this board totally disagree with Mr Tully, M P, in reference to his statement in the House of Commons that duplicate copies of the rate books sent to boards of guardians were merely wastepaper, as they were not used by boards of guardians at all. This board considers it is very necessary that correct copies of the rate books should be kept in every poor-law union board-room for the convenience of the ratepayers, who have occasion to consult them so frequently to ascertain the particulars of their valuation, ratings and changes in reference thereto, as they had before the passing of the recent Act. It would be extremely inconvenient and expensive as well for ratepayers from remote parts of this large county to have to travel to Wexford for information they were always afforded at their own union. In accordance with section 96 of the Local Government (Ireland) Act, 1898, correct copies of the ratebooks must be delivered to every board of guardians free of expense by every county council and urban council for the convenience of the ratepayers, and the revision of the voters' and jurors' lists, which cannot be carried out without them, nor the rate-collectors' accounts correctly checked. Neither can Labourers Act schemes be passed without the use of the valuation lists or correct certified copies of same entered in the rate books.

This was all the business.

The following letter was read

Enniscorthy
August 29 1900

To the Chairman of the Enniscorthy Board of Guardians

Sir

It is with disgust I have to complain of Doctor Kelly's substitute Doctor Dowse. Mr James Doyle P L G of Irish Street issued a ticket on the 27th and it was not attended to until 28 hours afterwards and when he came he pronounced Bronchites of the Lungs and the case of a little child Martha Neil of Irish Street. If this be the treatment of the poor of the District it is full time for the Guardians of the District to resign and I say it was a pity Mr Goff's notice of Motion was not carried out when he proposed 2 Doctors and I say it is not fair to treat the suffering poor after such a manner

Yours truly
Michael O'Neil
Irish Street

Order- "Referred to Dr Dowse for an explanation"

Enniscorthy Workhouse

Memorandum of Inspection on 14th. August 1900.

---

(1). I visited on the 14th. Inst. the inmates of the this Workhouse returned as being of unsound mind. The accomodation on the male side consists of a dormitory upstairs with 11 beds, and downstairs 4 cells opening off a tiled day room, in which however, 3 beds have been placed.

(2). The dayroom leads into an airing ground, which consists of a small yard, in which the wet anddirty mattresses of the patients are aired during the day time, while in one corner of it is a peculiarly ill-smelling drain.

(3). A bathroom has been obtained by cutting off a portion of the dayroom, but it has no constant hot water supply, and, doubtless as a consequence of this, many of the patients appear to be seldom if ever bathed. The insane and imbecile paupers, like children, require the most minute attention to their personal cleanliness, and owing to the degraded habits of many of them, it is impossible to maintain proper cleanliness, in the absence of bathrooms and lavatories provided with hot water.

(4). There are 11 box beds in the dormitory with straw paillasses; the bedding was not clean; and in many cases the patients were verminous.

(5). In the cells I found two patients in a very sad and neglected condition. One of them -L.C.- with dropsical limbs and deep bed sores, was lying on a straw paillass. His sheets were filled with crumbs and particles of dirt, and he was waited upon by pauper attendants who certainly did not possess the skill needed for nursing such a case. I was informed that the patient had not been visited by the Medical Oficer for very many days, and that when he re--quired to be lifted out of bed his body had to be rested on two wooden boxes which were kept in the cell for that purpose.

(6). The other case was a man- P.R. suffering from mild melancholia, who certainly should have been sent to the Asylum, and not detained in the Workhouse where there are no adequate means od treating him. He never gets up, is never bathed, his skin was caked with dirt in places, his toe nails had not been cut for many months, and there was such an accumulation of stale crusts and crumbs in his bed that it was evident it had not been made for a long time.

(7). The patients are under the general supervision of the Hospital Sisters, who I am quite sure are most anxious to do every thing in their power to im--prove their condition and treat-ment, but in the absence of skilled attendants to act under their direction.

and of proper means of nursing such as,proper beds, lavatory , bath -rooms,&c. it is impossible to consider the state of these poor patients as being other--wise than most unsatisfactory.

( 8). In the Local Government Act, 1898, by the 76th. Section provision has been made for the treatment of Workhouse lunatics in separate institutions, and I trust that the Guardians will urge the County Council to take advantage of the provisions of the Section by the establishment either of an auxiliary Asylum for the County Wexford, or by making provision in the existing District Asylum for those chronic and harmless lunatics who are now scattered through the through the various Workhouses of the County.

(9). The dietary seemed satisfactory, except that fresh vegetables- so necessary for the maintenance of good health are not supplied during the winter months.

(10). The female patients who are classified as being of unsound mind are scattered through the building- some in the hospital, and some in the Infirm ward. I was glad to find no such painful cases here as the two referred to on the male side. But here also some of the patients were verminous,and ther was a want of proper bathing and laundry arrangements.

(11). In connection with the condition of the patients to which I have had occasion to call attention, the Sisters explained that it was largely owing to their temporary absense from the Institution that such a state of affairs was allowed to exist; but , on the other hand, the records of the County Asylum shew that nearly all the patients received from this Workhouse are in a very- and dirty -minous condition.

(12). Until some arrangement such as is contemplated by the 76th. Section of the Local Government Act is made, I think that the cells, which were condemned so far back as 1843 by a committee pesided by the late Lord Monteagle, should be disused; that at least one skilled and paid male attendant should be appointed to act under the directions of the Sisters; that modern bedsteads and mattresses should be supplied in lieu of the box beads and straw paillasses now in use; that a hot water supply should be obtained for the bath; and that the Medical Officer should daily visit the wards occupied by the insane patients.

" (5) Dr Furlong reported as follows :-

" (6) "One of these patients L.C. we have taken up to hospital and the other shall be sent to the Asylum."

" (9) "Fresh vegetables are being supplied at present and will continue to be supplied as much as possible."

" (10) The female patients of unsound mind became so numerous that we had to find them new quarters with the sanction of the L.G. Board.

We placed the milder cases in two wards in the Union building but these wards are exclusively for their use so that they are not in the infirm ward."

(11) "Some time since and owing to the complete lack of both room and accommodation this might have been so but of late years, since baths were provided, the Sisters have been most careful in sending them over thoroughly clean."

Referring to Minute of the 30th Ult re letter from Michael O'Neill, Dr Dowse wrote as follows :-

Dear Sir,

In reply to yours I have to state that the ticket referred to was issued by Mr Doyle on the 26th (not the 27th Ult) and was left at my house on the 27th sometime during my absence. I did not get it until my return late that evening, and as it had been held over from the day before and was not marked "urgent," I naturally thought there was no urgency in the case - nor was there, for on visiting the child next day I found she had an attack of Bronchial Catarrh but was in no sence of the word dangerously or even seriously ill, in fact she was practically well in three days, so well that the Mother told me when I called on the 30th that she did not think it necessary to let me know how she was as I had asked me to do so.

Two tramp women named Kate Byrne and Ellen Mc Mahon occupying the probation ward assaulted each other in the dormitory on last night, the latter using a chamber on the head of the former. Byrne seemed so much the worse of the assault that I had to send for the Medical Officer to dress her wounds she is now in Hospital.

Order "Mc Mahon to be discharged."

The Carpenter was absent from duty since Friday last, in consequence of same I stopped his wages.

"Sanctioned."

Enniscorthy
20th Sept. 1900

To the Sec. Local Government Board.

Sir.

In compliance with letter No. 53.348. 1900 addressed to the Clerk, Enniscorthy Union" I beg to forward a report in writing endeavouring to deal into each item in Sir Joseph Fitzpatrick O'Farrell's Memorandum.

Before doing so however I must remark that the Enniscorthy "Lunatic Asylum" in the Enniscorthy Workhouse as supplied in the early part of the letter mentioned above. All lunatics are at once transferred to the District Asylum - The Closets supplied by Sir Joseph were Harmless Sticks & Epileptics -

I will now proceed Sir to the numbers of each paragraph

(1) The accommodation allotted to the male patients of unsound mind is the best available in the House at present -

(2) The airing ground is always maintained with the Asylum but as the provisions of the Lic. Lun. Act, in

(2) (3) printed out by Sir Geo. in paragraph
carried into effect. it was not deemed
expedient to go to any expense in
the matter of building here.

Unfortunately the Clearing-out
Place of the School Boys privy Comes
within the Corner of the yard & this
just accounts for the "ill smelling drain"
Some time since Suggestions to the
Guardians. Visit all the Places in
the building should be altered into
Water Closets, and if this Suggestion
were Carried out the Offensive Nuisance
would not exist -

In future the Dust & dirty Rubbish
shall be Carried outside the Enclosure
Yard -

(3) The Guardians have at present
under consideration a Scheme for
the Continuous Supply of Pure & Cold
Water for Cooking & Washing purposes
in the Kitchen & Wash-houses, and
in the absence of such a Supply it is
extremely difficult to keep the Patients
& Linen quite clean -

(4) We are by degrees Lessening the
all the old Wooden & Iron Beds &
within a short time we have replaced
them with Iron Beds to the Amount
of nearly two hundred, and the Beds

(4) Night-work in Asylum very rare place now requiring night-change. The condition of the patients at present will be accounted for by the temporary absence of the regular nursing staff.

(5) The two patients mentioned in this paragraph would not have been in the Infirmary Ward at all, but for the fact that the nursing staff had been depleted during the day. I must say that a Male Attendant should be employed in the Female Infirmary Ward.

The Dr. always visits the Infirmary daily, and I am to visit the Hospital hours when occasion requires, and to facilitate the latter part of this for the present, not a Night Physician in Asylum, or Ward Each Department devoting my services in extent devolving to Day Visit- Any Attendant not having been Medically Called to Male patients.

S.C was taken up to Hospital & his friends & P.M. left the Option of taking him Home, or sending him Sent to the Asylum - They elected to take him home.

(7) Needs no remark from me -

(8) With Sir Lloyd Plunkett Farrell & Sir Jeremiah will work Sir Co-Council to take advantage of the provisions of this act-

(9) Upon time since, at my suggestion, the Directors agreed to allot a considerable portion of the garden for the production of fresh vegetables for the use of the Immates.

(10) The Female patients do not mind, are used to undergoing to exercise in the fresh air and sun; and a portion of them with the Board have been allotted two days for their exercise in another portion of the building.

By the Co. Council does not form part of the provisions of the act allotted in paragraph (8); it might be necessary to reconsider this arrangement

(11) Requires no remark from me except to say that I am fully aware that since Lectures were prohibited all patients transferred from this Workhouse to the Asylum, were sent over in a clean & proper Condition.

(12) All the suggestions made by

The Board are of opinion that things are going on very satisfactorily at present and do not consider it necessary to appoint a skilled male paid attendant" as there is a male inmate placed over the male idiot department under the supervision of the Nurse in charge taking into consideration that the bedding is to be aired daily outside the male idiot yard and that baths are about to be erected in accordance with the Inspectors recommendation

Gentlemen,

I have the honour to report that I have audited the accounts of the Enniscorthy Union for the half year ended 31st March, 1900. and I beg to enclose herewith the usual abstracts of same.

I have surcharged the sum of £4·10·6, being costs of processes against the Guardians for rent due by them. notice of such action having been given by the Landlord, there was no necessity, in my opinion, to incur this expenditure and the loss involved by these proceedings might have been avoided had the Guardians promptly discharged their ——

[These Reports are to be made up and forwarded by the Medical Officers to the Board of Guardians quarterly, viz. on the 31st March 30th June 30th September and 31st December.

Reports (Form P, containing the names of Children born in the District who are over three months of age and have not been vaccinated) from the Medical Officers of the following Dispensary Districts, viz.:

Clonroche 116 Defaulters

Ordered "Referred to Solicitor."

were laid before the Board, and directions given thereon as follows:

Mr M J Whelan R.O wrote as follows ÷
In reply to Letter from Ply Board No 57325 Dated 3rd Oct asking what steps I have taken with regard to the Defaulters under the Compulsory Vaccination Act in Clonroche Dy. Dt. I beg to say that I have several times served notice on them and believe some of them will not comply unless prosecuted by the Guardians. I have received no payment since the passing of the Local Government Act for this work which is unreasonable, I am every day spending money on postage which has not been allowed and I now ask the Board to make some arrangement before expecting me to incur any further expence.

Martin Murphy P.O wrote as follows
The usual £5 that I get the 25th March every year as part of my salary during the last 20 years under the Compulsory Vaccination Act is now a year and a half due, I am anxious that it should be sanctioned as it always been done.

"We found the Sisters in charge, number of inmates 11, and everything in good order, but the chimney in day room is so defective, as the master has already reported, the place at times does be filled with smoke and as the master has not succeeded in completely remedying the defect, we recommend that a suitable fire range with hot water boilers be erected.

We also recommend that 15 iron beds be procured to replace the present wooden bose beds. The Committee also recommend the removal of the wooden sheeting on the windows on the south side and wire netting be placed there instead. On the North side they recommend the removal of on of the trees which at present obstructs the light

It will also be necessary to place grating and trap in day room to take away water to the sewer.

The Committee do not think it necessary to appoint a paid male attendant as the present arrangements seem to be satisfactory.
