The humble Address of the Sovereign Recorder Burgesses & Freemen of the Corporation of Newross in the County of Wexford to his Grace the Duke of Dorset Lord Lieutenant of his Maties Kingdom of Ireland

Your Graces safe arrival to your Government of this Kingdom, cannot fail to give the greatest pleasure to those who sincerely wish well to his Matie, his Royal house and Government, and the true Interest of this Kingdom; the many and great trusts reposed in your Grace by his Matie, and his long continuance of you in the Government of this Kingdom, must convince every body of his Maties knowledge of your Great Abilities, and the satisfaction which your long and mild Administration in this Kingdom, hath given his Maties faithfull subjects, cannot fail to give them a grateful sense of his Maties paternal care for their Interest and welfare

Whereas a Subscription had been set on foot for rebuilding the Steple of the Parish Church of this Town and the Work partly carryed into Execution, And Whereas the Sume raised by said subscription has been expended on said building, and is found to be very insufficient for finishing said Work, And Whereas an Act of Council was made and consented the 19th day of January 1759 Whereby the sume of three hundred pounds was Ordered to be paid by the Treasurer of this Corporation to the Overseers of said building towards Erecting a Ring of Six Bells in said Steple when finished; It is therefore Ordered that the said Act of Council of the 19th of January 1759 be and is hereby Vacated— and that the said Sume of three hundred pounds or so much thereof as has not already been expended on said Steple be paid by the Treasurer of this Corporation to the Overseers of said Work towards finishing the same, said Act of the 19th of Janry being ordered by mistake the said Sume of three hundred pounds being intended and granted towards finishing said Steple and not for providing Bells —

Whereas It had been some time agoe agreed to by the Council that an Annuity of five pounds should be paid to Doctor Robert Young Comencing at Michaelmas 1760 but no Act of Council having been concluded for that purpose It is now Ordered and Enacted that the Treasurer of this Corporation do pay out of the Revenues thereof to the said Doctor Robert Young during the pleasure of this Corporation the said Annuity of five pounds half Yearly Comencing at Michaelmas 1760—

Whereas the Government having requested that this Corporation should Quarter on the Town one or two Companys of Foot so long as his Maties Service should require their continuance here, to which the Council having agreed, one Company and one third of a Company of Foot were accordingly Quartered on the Town, And It being found highly Necessary and proper that a Guard house should be prepared with a Guard Bed and Fire place in said Guard house for the reception of said Troops which is now providing in one of the Offices on the Ground floor of the Court house of this Town It is therefore Ordered that the said Guard house and all other necessarys thereto be provided by the present Sovereign of this Corporation Charles Tottenham Esqr: And that the money already expended and what hereafter shall be expended thereon shall be paid out of the Revenues of this Corporation to the said Charles Tottenham—
