On the Motion of Mr Peacocke, the Doctor's attention was ordered to be called to the Matter & he was requested to be good enough to forward a reply in writing to the Board on the Matter.

The Secretary Co Council wrote enclosing Copy of the estimated County at Large Charges and inviting the attention of the Council to same.
With reference to the question of the printing of the Requisition forms under the Franchise Acts, the Co Council thought it would be better to allow this work to be done by the Clerks of Unions as it would be more convenient.
The Clerk was directed to write to the Secretary of the Co Council, and remind him that his Council would also be obliged to pay for any Advertising and postage in Connection with the Forms.

The following Orders of the Local Government Board for Ireland were laid before the Board and directions given thereon as follows :—

"Death of Mr Jas Stephens"

On the Motion of Mr Sears, seconded by Mr Hore a resolution of sympathy with the relatives of Mr James Stephens, the Great Fenian Organiser and Leader was passed in silence

9

The following Letters from the Local Government Board for Ireland and others were read by the Clerk, and directions given to answer them respectively, to the following effect (or, Orders made on them respectively as follows) :—

No 17654 1901. dated 29th March 1901. Sanctioning the temporary employment of Miss Margt Finn as Matron of the Workhouse at the rate of £30 per Annum.

No 59 M. 1901. dated 23rd March 1901. Forwarding for the information of the Guardians, a Copy of Poor Law Superannuation Bill for Ireland.

The following were appointed a Committee to consider the provisions of the Bill viz Messrs Peacocke J.P. Hore, Scallan, Codd J.P., Ennis, Mrs Ennis, Sears and the Chairman, to meet on Thursday next at the Tholsel, Wexford at 12 O'Clock, Noon,

Messrs Colfer & Gethin Solrs, wrote stating, the man Rossiter whom the Guardians proceeded against for the desertion of his children had been let out on bail on last Wednesday and that the case stood adjourned pending the attendance of the Sergeant at Killinick.

The Guardians expressed their strong disapproval of the manner in which the proceedings at the Petty Sessions were conducted, and the Clerk was instructed to write to Mr Colfer to that effect and to point out in reference to the Grandmother's evidence that it was on her representation Mr Walsh relieved the children, that it was assumed, she having the custody of the children, it was she brought the children to Killinick Petty Sessions and swore as to their destitution when they were committed to the Industrial School. that this wa

the second occasion on which Rossiter's family was relieved in consequence of his failure to support them. the wife being alive on the first occasion + that it was the Police at Killinick who first drew the attention of the Relieving Officers to the children and the circumstances under which Rossiter left the County.

The Secretary Orthopaedic Hospital, Dublin, wrote stating, there was three patients at present in the Cot established by Lady Maurice Fitzgerald and pointing out that the amount expended on patients from the County exceeds that received on account of their maintenance.

It was decided to ask the Doctor whether he had hopes that the child would be permanently benefited by being sent for treatment to this Hospital.

Sir Thos Esmonde and Mr French M.Ps wrote acknowledging the Extracts from the Minutes re the disqualification of Messrs Adams and Walsh Councillors who occupied Labourers Cottages.

The Committee appointed to interview Nurse Batty with a view of inducing her to remain at the Fever Hospital reported as follows.

The Nurse stated she was satisfied to retain her position if (1) A Probationer say a young woman 20 years of age or upwards was provided to learn nursing and assist her in the Hospital work (2) A washerwoman

to be employed by the day whenever the patients number 5 or upwards (3) That Nurse Batty be paid £20 a year in lieu of rations.

The Committee were unanimous in recommending these requirements to the favourable consideration of the Board of Guardians.

They also consider that some arrangement is necessary whereby the Laundress would not be required to go in the Van for Patients.

On the Motion of Mr Peacocke seconded by Mr Codd it was unanimously agreed.

(1) To advertise for a Probationer Nurse at the rate of £6 a year with rations, uniform, and apartments. Applicants to be over 18 and not exceeding 25.

(2) That the Master get instructions to inquire for a suitable person to act as washerwoman at a certain figure per day when employed, and to see whether the person employed as washerwoman would go for patients and to ascertain her terms for each Journey.

It was also resolved on the suggestion of Mr Ennis that the Nurse Miss Batty be paid £2..10.. for Uniform should she stay in her position for six months.

The sanction of the Local Govt Board is hereby requested to the different arrangements agreed to.

Dr Sheridan J.P. Med Officer Workhouse wrote declining to have anything to do with the returning of the empty bottles &c to the Contractor. It was ordered that the

Master see that the empties are securely packed and sent to the Station, and the Dr was requested to comply with the directions of the Local Government Board (Copy of their letter to be sent to him) and that he be informed of the directions given the Master as to the packing and delivering of the Empties at the Station.

There was only one tender for Meat, that of Mrs O'Rourke Main St which was considered too high, and it was ordered to advertise again. The Master is to buy meat in the meantime on the best terms possible. (See page 7)

The Clerk's Report of Vaccination was read—this in the First Meeting in every Month—number of successful cases :—

The Report of the ~~Visiting~~ Committee was read, and Orders were made thereon as follows :—

A Committee consisting of Messrs Hore. Peacocke. Ennis. D.L. O'Brien & the Chairman met at the Board on Saty & made the following Report in reference to Surcharges made by L.G.B. Auditor Mr. J.T. Baker. The following are the Surcharges named.

No (1) Surcharge & Certify the following to be due by Messrs Hore. D.L. O'Brien & Jas Codd, whereby their Signatures authorised the payment viz £10 paid to defray the Cost of postage on Franchise Forms, as below same should be paid by the Co Council under the L.G. Ireland, Act, 1898, also 6/- for same in Petty Cash & Messrs Peacocke Hore & Mr. Ennis.

No (2) Thereby disallow the sum of £4-10 O.D.R allowed to Eliza Pitt, she being tenant of a labs Cottage & part of land exceeding ½ of an Acre as such cannot be allowed under Sec 2 of 25 & 26 Vict Chap 83. Therefore Surcharge & Certify same to be due by the Members who signed same. viz. J Codd £2-10-0 P. Scallan 16/ D. Mc. Guire £1-4-0

No (3) Thereby disallow & strike out the sum of £1-18-0 O.D.R. granted to Mr Devereux a labourer 30 yrs of age. The Dr's Certificate states that this man only suffers from epilepsy and as it does not appear that this man is disabled from work am not aware that he can legally be granted O.D.R. Therefore Surcharge the said as follows J Codd 6/- D. Mc. Guire £1-12 who by their initials authorised same ... The following is the Committees report in reference to same.

No (1 & 2) Referring to Nos 1 & 2 we wish to call the attention of the Auditor to the fact that no provision for expenses under this head is not very clearly defined and as the Co Council has undertaken the responsibility of providing for this expenditure in the future we trust you will be good enough to see the amount is Certified is remitted, as we paid this money thinking that we were empowered to do so under Sec 12 of the L.G. Ireland Act and as the Form under which the Franchise Papers are sent out & returned still bears the name of Clerk of Union whose in office of the Guardians. No (3) Amount of £4-10 allowed Eliza Pitt tenant of labs Cottage we find on Consultation with Dr Hewett Med Officer that one of this woman's children was sick during all the time she was relieved, The woman herself being also delicate - this fact proves the case very exceptional one and on account of which we would again ask you to consider the matter with a view of having Surcharge remitted. The case was with many others on last day brought under the Chairmans attention for approval & we find that Chairman App & Rep Book. viz 2 fin occupation of land how much, was left blank by the RO, consequently the Chairman submitted the case to the Bd thinking that it was an ordinary case of out Door Relief. Appended is Certificate of illness ~~of Pitts child~~. No (4) Regarding No 4 Amount of £1-18-0 O.D.R granted to a man named Matt Devereux we wish to point out the fact that the Med Officer Dr Hewett has verified the fact that this man is a confirmed epileptic and unable to work & that he has to attend this man up to the present. Under the Circumstances we would respectfully suggest that the amt in this case be also remitted. Appended is Certificate alluded to.

Copy of this has been forwarded to the Auditor Mr J.T. Baker.

The following ~~Orders~~ letters of the Local Government Board for Ireland were laid before the Board and directions given thereon as follows :—

no 26, 747. 16th May 1901.

Forwarding Copy of the Report of the Auditor, Mr J. A. Bake, on his Audit of the Accts for the half Yr ending 30th Sept 1900.

The following is the Report.

I have the honour to report that I have Audited the Accts for the half Year ending 30th September 1900 and beg to enclose the usual Abstracts duly Certified. A Member of the Board, Mr Jas Hore attended at the Audit and objected to the payment of postage on Franchise Forms. As I am of opinion that under the Local Government, Ireland, Act this Amount should be paid by the Co Council, I have Surcharged this Amount.

Mr Hore also mentioned that it would be desirable to publish the Union Fund receipts and expenditure, as well as the balance sheet, this the Board are at liberty to do, should they so desire, he also referred to the large sum appearing on the Balance sheet as due by the R. D's. I explained that this was inevitable owing to the pay orders being drawn at each Finance Meeting for the ensuing Month, but according to Article 8 (2) of the Union Accts Order 1899, these should be issued in such Amounts, that no Relieving Officer shall at any one time have a larger balance than will provide for a fortnights estimated expenditure.

I have observed that in almost every case, the Magistrates Orders for the payment of fees to Med Officers for examining Lunatics have not been executed under their Seals as required by Sec 1x of 38 & 39 Victoria Cap 67. I shall be obliged to take notice of this omission should it occur again.

Amongst the items of expenditure, I find a payment of [illegible]

The following Letters from the Local Government Board for Ireland and others were read by the Clerk, and directions given to answer them respectively, to the following effect (or, Orders made on them respectively as follows) :—

of the Nurses for Clothing which was purchased by an inmate who left the Workhouse to enter a situation, it would appear that no order of the Board was given or applied; though the Finance Committee passed the payment under protest, subject to the Board. I have allowed the payment on this occasion; but should similar cases occur again, I shall be obliged to consider the necessity for a Surcharge.

It would I think be desirable that such articles as Tobacco Snuff, Mineral Waters should be charged to provision and not instead of Establishment as has been the Custom in this Union.

At the suggestion of the Clerk, it was ordered, that the several matters contained in the Auditors Report would be attended to; he himself had already written to the Doctors re Magistrates Orders and spoken to the Sister in charge, in reference to the procuring of Clothes for the inmates when leaving the house. He would in future charge the items mentioned by the Auditor to Provision Account instead of Establishment

On the Motion of Mr Ennis J.P. seconded by Mr Leavy, the following was unanimously adopted.

That we direct our Clerk to communicate with the Local Government Board, calling attention to the fact that the date fixed by article 35 of Sch 3 of the Schedule to the application of Enactments Order for holding election of Chairman & Vice Chairman for Rural District Councils & Board of Guardians falls this Year on a Roman Catholic Holiday. That this is both inconvenient and from a Religious point of view objectionable to a large number of Roman Catholic Councillors & Guardians, whose wishes in the matter deserve consideration, in view of the fact, that 3/4 of the population of Ireland profess the Roman Catholic Faith, and that we desire to be informed, whether the Local Government Board, are prepared to take prompt steps, to render impossible a similar occurrence in future, and we further suggest to the L.G.B. that an opportunity now presents itself to remedy this grievance, in the Provisional Order for annulling & varying certain provisions of the Local Gov Procedure of Councils Order 1899 now before Parliament, by substitution for Sub Sec 3 of Sec 35 of the Principal Order the following provisions (3) The annual meeting of a Rural Dist Council & Guardians shall be held in each Year on either the fifth sixth or seventh days after the day which was the day of election, of the last triennial election of the Councillors

The following Orders of the Local Government Board for Ireland were laid before the Board and directions given thereon as follows :—

The following Letters from the Local Government Board for Ireland and others were read by the Clerk, and directions given to answer them respectively, to the following effect (or, Orders made on them respectively as follows) :—

e No 36. 669. 1901, dated 27th June 1901,

Forwarding the Report of the Auditor Mr. J.C.T. Baker on his audit of the accounts of the Union for half year ended 31st March 1901. which was as follows.

Gentlemen,

I have the honour to report that I have audited the accounts of the Wexford Union for the half year ended 31st March 1901, and I enclose the necessary copies of the Abstracts duly certified.

A Sum of £340 was transferred to the Rural District Account to enable them to pay an instalment of Loan which became due and was repaid during the half year, it would I think be desirable to obtain your sanction in such cases. I would point out that all articles on the prescribed list of Medicines should be obtained from the regular Contractors as otherwise no allowance can be allowed, and the Guardians render themselves liable for the loss as well as for the cost of such as are procured contrary to the Dispensary rules. I observe that Linseed Meal has not been procured from the Contractors. Where O.R. is granted on Dr's Certificate, it is necessary they should cover the full period for which relief is given. One of the cases to which I took exception at last Audit, and for which a Certificate was ultimately produced, has I observe been in receipt of relief for the full half year, though the Certificate states it would be required for 6 weeks only. I am informed that the man is now at work, but was unable to do so during the half year. I have therefore requested that a further Certificate be obtained, and have no doubt that these matters will be more closely attended in future.

I have pleasure in reporting to the Satisfactory manner

in which the accounts were submitted for audit.

I have the honour to be Gentlemen
Your obedient Servant,
J. A. Bakes.

(1) The Clerk was directed to write to Dr Sheridan, Medical officer of the Workhouse calling his attention to the fact that Linseed meal should be procured from the Contractors, and Relieving officer Walsh was cautioned to be more careful in future as to the manner of obtaining Certificates in the case of O'D.K. The report was considered satisfactory, and the Clerk was directed to obtain Sanction of L.G.B. in future to any transfer of money from one body to another.

---

e Nurse O'Connell wrote stating, she would take up the duties on the 13th July a month from the date of election. The Clerk stated he had forwarded her the list of queries which he would forward to the L.G.B. as soon as he received them.

The Clerk brought under the notice of the meeting the case of Mrs John Redmond whose two children are at the Cabra Institute. This man is indebted to the Guardians to the Amount of £1.8.0. Ordered. That the Clerk write to this man informing him of his agreement with the Board, and asking him to pay up his instalment at once, and report at next Meeting of the Board.

Ordered. That the patient named Lambert, referred to in Guardians Minutes of 15th June be forwarded to St Marks Hospital on the 29th inst in charge of one of the female officers
