The Report of the Visiting Committee was read, and orders were made thereon, as follows:

The Reports of the Master and other Officers were read, and Orders made thereon, as follows:

Master's Report:

Cream Percentage—Mr. L. HAYES, 10 Mr. REDMOND, 9¾

Mr. McDONALD, 9¾ Mr. FORTUNE, 10

Received from Messrs. Jeffares & Bros. the sum of £5 for maintenance of their assistant in Fever Hospital.

Mrs. Martin, Main Street, writing in reply to the Master's application for maintenance of her messenger boy in the Fever Hospital, stated she had paid this boy full wages for the time he was laid up - 5 weeks; and that she had no further responsibility in the matter.

Under the circumstances the Guardians considered it would not be fair to press the woman for further payment, and the amount was ordered to be cancelled.

Considerable damage has been done to the roofs, lead shoots & windows of the different buildings in the Workhouse and Fever Hospital; also some trees on the Workhouse grounds, and considerable portion of the paling round drying yard has been blown down.

I have procured the services of a Slater, and, if the give me permission, I think it would be well to employ a Carpenter for a couple of weeks.

Ordered: That a Committee see the paling in connection with the drying yard, and that the Master have power to look after the other repairs.

Mrs. Fitzhenry and six children are at present in the Workhouse and her husband is outside.

The following Orders of the Local Government Board for Ireland were laid before the Board, and directions given thereon as follows:

On the motion of Mr. Peacocke J.P., seconded by Mr. Ennis J.P., a unanimous vote of thanks was passed to Dr. Hadden, Medical Officer of Crossabeg dispensary district on account of the death of his son. The Chairman, Lady Maurice Fitzgerald, in putting the Resolution felt sure that each member fully endorsed the sentiments & feelings expressed by Mr. Peacocke & Mr. Ennis, and requested the Clerk to be good enough to convey this assurance of same to Dr. Hadden.

The following Letters from the Local Government Board for Ireland and others were read by the Clerk, and directions given to answer them respectively, to the following effect (or. Orders made on them respectively as follows):

No. 19, 534/28th March, 1905. Sanctioning the appointment of Miss Annie Teresa Vahey as Nurse in the Fever Hospital at £1-11-6 a week and rations during Miss Wright's absence.

No. 20, 592 - 31st March 1905. Sanctioning the appointment of Mr. O'Sullivan as Hocktaker at a remuneration of £4.- and stating that payment should not be made until the work has been completed to the Satisfaction of the Guardians.

Mr. Colfer, Board's Solicitor writing in reference to the Guardians request to him to prepare a will for execution by a inmate named Stephen Scallan, stated that it was his invariable rule to take instructions for wills only from the testator, and that doing otherwise was a matter of which he entirely disapproved; however, as the Guardians so desired he enclosed a form for same which contained all instructions.

The Master, on interviewing Scallan, stated he was not at present in a position to do anything in connection with the matter.

Mr. Richard Murphy, Stoneland, representative of Killag E.D., wrote requesting the Board to be good enough to give relief to a man named Patrick Kavanagh of Gibberwell who was a most deserving case, and had an invalid daughter, who was given up as a hopeless case by the doctor.

The amount of 4/6 a week was allowed.

The Clerk reported that the Contract for Sugar had expired and the matter was left in abeyance pending the introduction of the Budget, the Master to procure a supply at the cheapest possible rate meanwhile.

Mrs. Redmond, Mother of the two children at Cabra, wrote enclosing a cheque for 16/- towards their maintenance. The Clerk stated that he had written on the 6th February to the father of these children requesting him to pay up his instalments but he had not replied.

Ordered: That Mr. Colfer be written to asking him to bring the matter before the judge.

A Series of Resolutions forwarded by Mrs. P. O'Daly, General Secretary, Gaelic League, condemning the action of the National Education Board re Teaching of the Irish Language in National Schools, and the Policy adopted by the British Treasury re Primary Education was unanimously adopted.

The following Letters and other Communications were read by the Clerk, and Orders were made on them respectively as follows :

Date	From Whom.	Subject Matter.	Order of the Board thereon.
No. 19, 1474/1905. dated 7th April 1905. Stating that they had observed from the Minutes of the 18th ult. that the tenders for Medicines and Appliances sent in by Messrs. Hunter & Co. Liverpool were lower than those accepted by the Guardians, and that, while they considered the Guardians were bound to give the Contracts to the persons offering the best terms unless the Guardians could show good reasons for not doing so, they nevertheless, were of opinion that it was not advisable that any one Contractor should hold too large a proportion of the Contracts, and as Messrs. Hunter & Co have already secured as many contracts, as should in their opinion be in the hands of one firm, they would not, on this occasion, oppose the Guardians' wishes in the matter.			
The letter was considered Satisfactory.			
No. 22, 1474/1905. dated 7th April 1905. Sanctioning the payment of £1. and 15/- to Relieving Officers Doyle & Walsh respectively for serving Vaccination Notices in the Union.			
Dr. Keogh, Bannow, wrote in reply to Messrs. Hunt's letter to the Local Government Board (see letter No. 16011/1905), contradicting the Statements in Messrs. Hunt's letter. (Dr. Keogh's letter is enclosed herewith)
