" will obviate the necessity of carrying out the other

Lavatory and Sanitary accommodation

We recommend that an Est be obtained for erecting a more modern closet arrangement at the women's side of the house in the place of the existing one, the closets in remainder of Hospital being postponed for the present

different cases under treatment by the Medical officers and nurse in charge, a large number of whom require constant and special nursing, we have no hesitation in recommending the appointment of another nurse, who together with the present night nurse, will be expected to take up night duty if so required; furthermore we are convinced that had our fellow members of the Board been eye witnesses as we were to the many distressing ailments of those poor suffering people, they would be altogether with us in our present recommendation.

6. Regarding the provision of disinfecting apparatus same has been before us on several occasions, at present <sup>don't</sup> see our way to ask the Board to take the matter up.

7. The provision of a proper cooking arrangement for the kitchen is in the hands of the master who will report at a future date.

8. A shed for the ambulance.

We recommend that the roof of the present tradesmen's shops, be raised and fitted with an extent as well fire room for workshops overhead with space for Carhouse, stable and other similar accommodation which may be required underneath, this of course will take in a shed for the ambulance.

as follows:

**Master's Report:**

Mr. REDMOND, 10  $\frac{1}{8}$

Mr. McDONALD, 10

Mr. FORTUNE, 10

Some pigs for sale

Referred to a Committee

With reference to the matter of providing a suitable  
range for the kitchen it was resolved on the motion of  
Mr. Hore, seconded by Mr. Deneen, "that the master  
proceed at the Board's expense to Dunsfarran Workhouse  
to inspect the range there and all particulars as to cost,  
consumption of coal etc.

The following Orders of the Local Government Board for Ireland were laid before the  
Board, and directions given thereon as follows:

The following Letters from the Local Government Board for Ireland and others were  
read by the Clerk, and directions given to answer them respectively, to the following  
effect (or, Orders made on them respectively as follows):

No 30816/1906 dated the 26 May 1906. "Forwarding for the  
information of the Guardians, a Communication received  
from a man named Wm O'Hlavery, relating to the amount  
charged for his maintenance while in the Workhouse,

Ordered". The Guardians desire to point out that this  
man who was not destitute, was admitted by way of loan  
out of charity, as he although he had and has had still a  
pension, owing to his intemperate habits, he was without  
a home, the rate charged for his maintenance was  
approved of by the Judge in Bankruptcy, after giving  
O'Hlavery and his Creditors an opportunity of being  
heard against the application. In the circumstances  
of the case, the Guardians charged O'Hlavery; he has  
requested to indemnify the Union against loss while  
in the Workhouse, and he is to repay the local poor rate  
to the Official Assignees' Office, which together  
with the other letters is returned herewith.

Miss Wright, Limerick, wrote offering  
for ratons or an addition to her salary in lieu of ratons.  
She pointed out that out of her salary of £55 a year

she has to provide support and supply herself with uniform, and bear the onerous position of matron and nurse while temporary nurses without any responsibility received £1-11-6 per week. and rations, she has held the position now for 2½ years, and trusted she has given the Board satisfaction in the performance of her duties.

Having fully considered the matter, the following order was made on the motion of Mr. Deacock & seconded by Mr. Kemp.  
"That while the Board fully appreciate the faithful performance of her duties by Miss Wright, they cannot entertain her application owing to the local form Board rule requiring Officers to serve 5 years at least before sanctioning increase of salary, and the salary at present attached to the position includes £15 in lieu of rations.

Dr. Keogh of Bannow wrote recommending that a man named Thomas Moran, the Cataract in whose eyes were now ripe for operation, be sent to the Eye Hospital for treatment.  
Ordered. "On this man becoming an inmate of the Workhouse the Clerk was to write for an admission ticket for him.

The usual monthly contribution of 16/- was received from Mrs. Redmond towards the maintenance of her children in Dublin.

The Clerk of works wrote agreeing to prepare duplicate map and specification of alterations in the Workmen's Shop and Casual Wards for the sum of £2-2-0.

Ordered. Approved

The following tenders were accepted.

For the supply of new milk for the year ended 1st June 1907.

John Redmond 42 gal weekly at 5½ per gal.

Lawrence Hayes 110 gal. " " 6 "

Johnanna McDonald 84. " " 6 "

Rich Fortune 175. " " 6 "

Edmond Fortune 50 pairs Irish blankets at 2/- each.

Also tenders for blankets Mrs. Deacock at 2/3. P. J. Lamont at 2/4. Patrick Hynds 1/11¼ and Lemmon Brown 2/1½.

It was decided to hold the annual meeting at 2 o'clock P.M. on Tuesday the 5th prox. being the legal date.

It was ordered that 2 children and the wife of a man named, Kinsella, be granted any clothes required on leaving the Workhouse.

The Clerk was directed to write to a man named Kivran, for recovery of money due in respect of relief by way of loan.
