Ordered" The master stated that when employing this girl he was much deceived from her appearance as to her age, as he considered she was much older.

The master stated he could not under any Circumstances have the Local Govt Boards Amendment Carried out after the 15th, and that if he were to do so he would neglect all his other work, except the Guardians gave him Some assistance, the Rio's also request time as they were equally busy.

resolution was passed, that owing to the urgency of the ordinary business of the mash & Rds., we find it impossible for them to carry out the Orde of the Local Govt Board in the specified time.

The Clerk on being asked his opinion stated it was compulsory on them all to have the Returns amended and forwarded back to the Local Govt Board as requested and that the sooner they fall into line with that idea, the better for all concerned and that in asking for more time, it ought at all events be understood that the mash & Rds should at once commence the work and depend on the Local Govt Board for a little more time.

This was then agreed to.

The Clerk's Report of Vaccination was read--this in the First Meeting in every Month—number of successful cases :—

The Report of the Visiting Committee was read, and Orders were made thereon as follows :—

a large Committee of the Guardians attended at the Board room at 11/30 Am and discussed the Pensions of the old age "Pensions Bill" at considerable length.

Mr. M. Kennedy J.P. made a lengthened Statement in Connection and on the motion of Mr Laffan seconded by Mr Kelly, the substance of said Statement from here was ordered to be inserted on the minutes in the form of a resolution and forwarded with Chief Secretary for Ireland, the Chairman of the Irish Party and the 2 County members.

"That having carefully Considered the Provisions of the old Age Pensions Bill 1908. Are of opinion that Same when in operation will result in Ireland receiving less benefit therefrom in proportion to the population and her Contribution towards the Cost than other portions of the United Kingdom, unless Amendments be introduced, Calculated to meet Special Circumstances existing in this Country

Ireland which Contributes 1/11 of the total of Imperial taxation her equitable proportion in the opinion of the Financial Relations Commission being to part has a larger proportion of her population Classed as paupers, than any other portion of the United Kingdom, and therefore this proportion of her population entitled to participate in the benefit provided by the Act will be much less than in the other Countries.

In Ireland a Comparatively Small proportion of the Labouring Classes owing to the prevailing low rates of wages reach 70 years of age without receiving some small occasional assistance in the shape of O.D.R. during periods of illness and distress. We suggest that Sec 3 11 A should be amended in the case of Ireland, to read the first day of January 1909 and that if possible the age limit in Ireland should be 21 - 65 years

The Reports of the Master and other Officers were read, and Orders made thereon as follows :—

MASTER'S REPORT :—

Ordered " the Master is to get Quotations from persons Competent to perform the work.

Walter Scallan Lough admitted on the 13th inst to the Infirmary suffering from result of an Accident which he sustained while in the employ of Mr Michl Furlong of Lough

Ordered " that Mr Michl Furlong be written to stating the Guardians will hold him responsible for the man's Maint in the Workhouse.

The Medical Officer writing in reference to this Case stated he had to call in the services of Dr Kelly which has in treating this man for dislocation of hip and Dr Kelly has written informing the Board his fee in regard same will be £2 - 2 - 0.
