The Visiting Committee met to day to consider the Inspectors half yearly report Present. In the Chair Lesy M. Fitzgerald others present Mrs Ennis V.-C. Mrs Cooper Messrs Jas Hore, J. Laffan, Simon Walsh & M. A. Ennis Jr.

Re Water supply.

The Committee beg to state in reply to the Inspectors report that the question of the water supply is at present in the hands of the Water Supply Committee, and the Board await their report before they can take any action in the matter. The Committee understand from the Master that there are only two water closets in disuse owing to scarcity of water and there are three other closets at present in use in Hospital.

In connection with this matter the Acting Clerk stated he had been instructed by the Water Supply Committee to inquire whether the Corporation would be willing to give the Workhouse a supply from their system as suggested by the Local Government Board and if so on what terms. The Committee are of opinion that the question of the drainage, is one for further consideration and they have decided to visit the Workhouse and report more frequently in future.

Regarding the objectionable proximity of the Girls closet to that of the Male Casual, a Committee from that of the Visiting Committee and consisting of Messrs Jas. Hore, J. Laffan & Simon Walsh visited the closets and reported as follows.

"Your Committee having inspected the closet in the Male "Casual Ward consider the matter hangs on the main water "supply of the House and what arrangement may be "decided on by the Water Committee but pending that, "they recommend that Mr O'Brien B.C. be asked to report what "arrangement could be made on present [illegible]

On the motion of Mr Ennis JP. seconded by Mr Leffan the following resolution was unanimously adopted.

That we, The Wexford Board of Guardians having learned with much satisfaction that the Government propose to extend the provisions of the Nurses Registration Bill to Ireland Lord Crewe having promised to introduce amendments to that effect when the Bill is next before Parliament; that we would be glad to know whether a copy of the proposed amendments have yet been sent to the Executive Committee of the Irish Nurses Association, and if not, we respectfully submit that it would be only just — in a matter which so vitally affects their profession that before these amendments are submitted to Parliament the Irish Nurses through their Association should be given an opportunity of considering them and we request the Irish members of Parliament will do everything in their power to promote the Interests of the Irish Nurses in this matter.

That copies of this resolution be sent to the Chief Secretary, Lord Crewe, the Senior whip of the Irish Party and the County members.

The following Letters from the Local Government Board for Ireland and others were read by the Clerk, and directions given to answer them respectively, to the following effect (or, Orders made on them respectively as follows) :—

No 35791/1908 dated 30th Septr. 1908 Forwarding copy of the Finance act of 1908 and drawing attention to the reduction of duty on Sugar.

This matter has already been attended to here.

No 139 M/1908 dated 8th October 1908 Drawing the attention of Clerks of Unions in Ireland to the Old Age Pension Regulations which require them to furnish to Pension Officers investigating claims to pension all information regarding persons who are or have been ~~on~~ or since the 1st January 1908 in receipt of poor relief.

The Clerk stated the circulars letter did not apply to this Union as he had invited the Pension Officers to his office for the purpose of giving them all information possible from the Relieving Officers and Master's books.

The Town Clerk wrote in reply to the Clerks enquiries stating that the Water works Committee of the Corporation regretted their inability to comply with the Guardians request to supply the Workhouse with water from the town system; as they feared that the Reservoir in dry seasons would not be able to bear any additional demands on it having regard to its present capacity but in the event of the Reservoir being enlarged as they contemplated they would be pleased to give the Workhouse a supply on such terms as may be agreed on.

Mr D. O Sullivan Stocktaker reported having completed the stocktaking for the past half year and submitted the usual returns; also a list of articles recommended by him to be condemned that the valuation of the stock in use amounted to £935 and that

Mr Michl. Walsh Wexford wrote applying for the position of Irish Teacher rendered vacant by the resignation of Mr Horgan promising to give satisfaction if elected.

On the motion of Miss O'Ryan seconded by Mr McCormack it was resolved to advertise for an Irish Teacher on the same terms and conditions on which former ~~teachers~~ held the position.

Miss O'Ryan brought under the Board's notice that recently the advertising for Irish goods, was done on foreign papers. which she considered inconsistent and something ought to be done to prevent such a thing occurring again.

The matter was left in the Clerk's hands to have Irish paper used on all occasions possible.

Dr Oconnor Medical Officer of the Workhouse wrote recommending that a child named Maggie Ryan, aged 6 months, an inmate of the Workhouse, suffering from hare lip be sent to Dublin for special treatment.

It was ordered that the Doctors recommendations be carried out

The following Letters and other Communications were read by the Clerk, and Orders were made on them respectively as follows :—

Date.	From Whom.	Subject Matter.	Order of the Board thereon.
With reference to the Complaint of a man named Michl Dunphy of Randalstown Ballycorey against Dr Keogh Barrow who was doing duty for Dr Hasset Bridgetown, which appears on last w[h]s minutes Dr Keogh sent the following explanation to the Board "In reply to your letter of the 9th inst enclosing Copy of Communication from Michael Dunphy the following are the facts of the case. On monday 2nd instant, Dunphy's wife brought a child to the dispensary at Bridgetown, there was a large abscess on the back of her head, the hair was matted and dirty over this, I asked Mr Dunphy to take the Child to Dr Hassets Surgery, where she would be supplied with hot water and brush the part and cut the hair whilst waiting for me to open and dress the abscess - when she had left to do so Dunphy came into the dispy and in an impertinent manner asked me what I meant by saying his child was dirty apparently considering my request where the Childs head washed an insult - As his name and tone to me were offensive I told him to leave but not in the way he did. I did not see him again, the remainder of his statements are therefore untrue. I subsequently opened the abscess at Dr Hassetts and carefully dressed the wound and supplied Mrs Dunphy with dressings explaining how they was to be used, requiring her to bring the child back on Wednesday morning - I believe I spent nearly an hour at the Case and trust Dunphy carefully avoids any allusion to the treatment from a man of this type I suppose one cannot expect

at 10/9. Mr Shaw; the former being the Cheapest was accepted

Miss Maisie Browne Bridgetown wrote stating she had with some difficulty secured what she considered would make a good home for the boarding out of a little girl out of the Workhouse.

Owing to batches of children from the Waterford Union being boarded out in the same district, and that the foster parents of said children were allowed more for Clothes by the Waterford Board than the Wexford Board did it was easier to get homes for the former. Personally she herself found great difficulty in being able to secure sufficient Clothing for the Children out of the amount allowed and trusting the Guardians would at some future date allow a little more for such Purposes.

The latter part of Miss Brownes letter was dealt with by a larger Board
