The Report of the Visiting Committee was read, and orders were made thereon, as follows :-

The queries were all answered favorably except No 8 to which the following answer was given A. I yes Generally the Gards are being Cleaned At & They are making progress. of all good excepting fine boys who are on the list of punishments. The Orafes have been Ithink injured by buceds the land has become very dirty The Master of the worthbouse have in reply to the Board Stated that the land was now quite Clear of love ds.

The Reports of the Master and other Officers were read, and Orders made thereon as follows: man to act as night watch on the premises Us there is in Store 5 note of une arded Cotton, She g to recommend that it be bartered with Mrd Lewis of clohammon for its value of Cotton Garn They to request a committee to inspect 5 cut of Alax delivered by Mr Leallan Contractor. That the Informary Nurse be directed to observe as much as possible the classification of the Immates during the time allower for outsiting Thave given directions to the Schoolmaster to attend to the order of his children during fragers which he neglected to comply with Ordered that the Board, approve of a manbeing appointed to watch the premisses during the hight that the Master be derected to ascer. tain and report to the Boarconthis day week the terms on which M'Sewis will take the Raw cotton on hands that 5 cut of Har which has

The following Orders of the Poor Law Commissioners were laid before the Board and directions given thereon, as follows:—

been inspected by the Guardians and found to be equal, be received in there from the Contractor that instruction be given by the Master to the Surse to attens and for show order in the Infirmary during the time the Solve order in the Infirmary during the time the Solvents are susited by their friends. and that the solvents which may be given him by the Master of the order the Board and Receives from the Chairman the order the Board and receives from the Chairman the order which they had just made in reference to him.

The Masters Estimate of requirements for the ensuing was examined and orders were ducly made for the Several articles spraper vis to Hides of Butt Seather 20th of hip 2 Sarge Coffins I Small coffee I follow of Small of Sunt Seather 1 Stone of White Sees and 12th Semp Sugar of Small oil I Gallow of Sunsuadie 1 Stone of White Sees and 12th Semp Sugar

The following Letters from the Poor Law Commissioners, and others, were read by the Clerk, and directions given to answer them respectively, to the following effect (or, Orders made on them respectively as follows):—

1. 178091855 dated 26 June 1855 addressed to Charles Abalter ISO Chairman of the Board of Guardians informing him of the Correct mode of Charging the cost of Colling given to Paupus on taking their discharge from the loboth some

1.17181 /55 dated 27 June 1855 forwarding the Peturum of of his afe of Repenses attending the Election for the office of Guardian for the E. Division of Kilmore Unting to g. y for payment by the Board of Guardians, of the Jums due to the respective parties concerned. 4.4.

1. 18464 155 dated 29 June 1853 requesting the clark to furnish them with a copy of the Estimate for a new Water When the Estimate that have been a dopted by the Boars of Guardians. Ordered that the commissioners be informed that the Estimate for the new Pate will be considered by the Board on Saturday next and if a dopted a copy of it will be forwarded by the Clark to the Cammissioners on the Monday following.

are not aware of any objection to the proposed change in the apartment assigned to the Constant Schoolmisters Ordered that the Comments increase be informed that the Insurance Company Shall be made aware of the Guardians intention to erect a fire place in the New Sleeping room. and the consent of the Company obtained before the Board will proceed to make.

I Seller dated 25 May 1855 from Thomas Duell hogh.
Manager of the Stational Bank Stating that
from and after the 30 West, the rate of Interest
allowed the Quarriares and the credit balance
of the Union account will be reduced from 2'2 to
2 per cent four amount
Ordered that the Click do write to Mr. Duice inform
ing time that the Board of Guardians are Satisfled with the rate of Interest proposed to be allowed
from and after the 30th Inst and the credit balance
of the Union accounts

The Board of Guarrians of Wafore Union Vine 29th 1855

The number of cases of provisional Out-door Relief was

Ditto, ditto, in which Relief was continued by the Guardians

The number of other Applicants in the Relieving Officers' Books relieved by order of the Guardians was

The number of Applicants for whom Relief was not ordered

The Bonds and other committee in force over laid before the Cuardiane by the Glocky together with his Report thereon, as follows: (this on the second Meeting often the Annual Election in every year):

Amounting to 216. 2.52 which we recomment to be caucelled, and I 39 1. 19. 11 which we deem Collectable. In the latter sum we regret to Say, a quat portion are arrears of previous rates which have been carried into the present Pate Book and we think if due diligine and personancy was used on the part of the collector would have been long since collected. With a view to effect a speedy collection of the recoverable Pates at present outstanding we beg after mature consideration to recommen it he proposely of retaining the bouncage at present due to the Collector mittle he Shall have collected and lodger those rates in the hands of the Treasurer

And Sames Repostie Albur Navanagha Richard Wallet Richard Wallet Board of Guarcians that the recommendations contained in this report are a dofited, and that the clock is houly

directed to see them carried into effect

Perolocal that the Poor Saw Commissioners he informed that a Pale is about to be made on the C. Division of Weeford and that the Guarrians are most anxious to be informed before the Pate 13 and is digned whether houses which may be found unoccupied on the day the Pate is struck will be legally exempt from the late. That they be also informer that the Quardians have experienced the greatest difficulty in dealing with fremisses in Weeford unoccupied at the time of making a rate and that the course which they have hishest adopted. Manuely to appoint the quardians of the Division to inspect the tours immediately before the Pater was thereby and to that and the dealer and to the course which they are diately before the Pater was the unspect the tours immediately before the Pater was the sure uno coupied and the amounts assessed upon them. Which sums the

Their recommendation were removed from the Hate Back was done with the view of Saving the quat expense which the Guardians believed would fall whom the Division by parties appealing a gainst dates made on unoccupies premisses. That the Guar deans are quite aware that the course which they pureued was not Legal. and that in consequence the umount of the valuation of un occupied premises dup posed not to be liable to Nate but which could only be legally removed from the late Sook by the Count of Quarter Lessions, has been included in the het annual value of the beerford 6. Division and the Cestablishment and other general charges apportione o on it. That as there is a manifest injustice in apportioning those charges when he valuation in which is included the value of property believed exempt from the payment of Hales and as there is no course which the Guar dians Can de open to them to prevent this unfair taxation on the westore C. Dursion Save that of allowing pusons a gglived by union, of erroneous assessments to appeal. the cost of which would be more than the amount which wont i be Saved on the Dinesion if the general charges were properly apportiones. The Guardians respectfu ly request that the commissioners will Suggest the course which they consider most advisable for the Board to ales under the circumstances Stated and that they will State as already requested in this resolution whether the Land has decided that Houses unconnected with Land, un occupied on the day of a rate being made are not beable to the payment of Sucharate

in the & Division of Harfunstown be remitted

[Wexford-Printed at "THE INDEPENDENT" Office.]

Mr. Vames M bicary. That for the fruspose ofgiving the largest circulation passible to the Union advertisements which this Board deem most estudied to the interest of the Cate payers. The advertisements in future he interest in the three local papers and that a Gum of \$10 he offered to each local secuspaper Proprietor to insert the a dvertisements from the y Vuly 1855 to b Vuly 1856. and that the Clerk write to the Secuspaper Proprietors requesting to be informed whether they will insert the advertisements for the terms for oposed

Proposed as an amendment by M. Paturk fundat and Treended by M. Vas It Crostice That the clack a dvertise for Jenders for the insution of the Union a dvertisements. and that the

Profuetors will insert the Union a durtisements on the Cheapest terms

The original proposition was carried by a mojority of 12 to 3

Proposed by Mr Sar Relachie and Seconde a by Mr Rober I ackman (and foodsed I hat the attention of the Commissioners be directed to the Resolution of the Board contained in the Minutes of the 2" Inst requesting the Commissioners to appoint the Rev Idmes Roche IP as Roman Catholic Chaplain of the Yever Hospital which request the the Guardians hope the Commessioners will comply with and that the Chairman be requested to brute to

the Commissioners on the Subject

Proposed by M volu Vachman and Seconds a by M. James Rebroshie and frassed
That whereas by a mistake the Costablishment of the Sisters of Mercy, for the gratuitous Education of the Process and for the Charitable Maintenance and Education of Orphans, has been pated to the Poor Pates, and as it never was so rated from iously and also, as all the other Charitable and Course and Vastitutions in this Vown are and have been exempt from Pating this Board orders that means whale he a dop led to correct Said error and to exempt the Said a correct in feeture

Proposed by M Sames R Carstie and Seconded by M. Patrick Lambert and passed
That a Sum not exceeding leight frounds Stating be allowed out of the Pates to defray the expension of the Comignation to Duebee of Vames States who is chargeble to the union at large and that the Commissioners he requested to issue an orier under their seal authorising the Sair expenditules

Debit the Treasurer and Credit the several Electoral Divisions, with the respective amounts lodged.

The Clerk's Account of petty Disbursements made by him since last Meeting, amounting to £ / was produced and passed.

The following Books were exhibited by the Clerk, he having first ascertained the accuracy of the entries made therein by the Master of the Workhouse, and authenticated the same by his signature:

1. The Weekly Relief List and Abstract.

2. The Provision Check Accounts

2. The Provision Check Accounts.

3. The Provision Receipt and Consumption Account. By which it appeared that the Cost of Provisions and Necessaries received during the week, was £ 63 s. 7 d. 1

Debit Provision Account and Credit Invoice Account. The Cost of Provisions and Necessaries consumed was Debit Maintenance Account and Credit Provision Account. And the general average Cost of an Inmate for the week was Average cost in Infirmary, Average cost in Fever Hospital, 3-12

The Master's estimate of Provisions and Necessaries required for the ensuing week was examined and Orders were duly made for the several articles specified, namely:—

REQUIRED FOR THE FEVER HOSPITAL. 1 Dog of Large Porter of Flour Bags 3 Dog Small Porter Wholemeal Sacks Bagy of Flour Coal 10160 Meat 6016 10 160 Candles Oatmeal Oaimeal Mould Candle Indian Meal 160 Salt 4 Ewt , Ewt Soap 20 Gallons Buttermilk New Milk . 160 Soda New Milk 3 66 Fea Starch Salt 2016 Sugar 15 th 4 66s Mall Rice Ewt , 16 10 16 Hops Dog Wine Sugar Whistory 3 16 Lump Sugar Quarts Pepper 16 311 Pepper Tons Coal Ginger 165 Candles Poice Ewt Soap Whiskey Quarts Starch Gruge. Dog Wine

The following Books were also produced by the Clerk, their accuracy ascertained by him, and authenticated by his Signature:

1. The several Clothing Accounts.
2. The Medical Officers' Books.

The Out-door Relief Lists and Weekly Receipt and Expenditure Books for the several Relieving Officers, were then produced by the Clerk, their accuracy having been preciously ascertained by him, and authenticated by his signature.

The Abstract of the Out-door Relief Lists was also produced by the Clerk, having been duly entered up by him for the last week ended Saturday, the II day of Congression whereby it appeared that in that week the Total Expenditure in Out-door Re of was

> In Money, In Kind,

Credit each Relieving Officer, as per Receipt and Expenditure Book.

The requirements of each Relieving Officer for the ensuing week, having been duly considered and estimated by the Board, checks on the Treasurer, and orders on Contractors, were duly signed and delivered to each of them, of the following amounts and value, respectively:—
