Report of Committee appointed to inquire into Statement made by James Redmond,

We have heard the statement of James Redmond who was found between the hours of two and three O'Clock in the Morning of Wednesday last in the Shed in the cultivated Grounds belonging to and adjacent to the Union Workhouse, and who was not then, but now is an Inmate, and of Mr. Moses Kearins the Porter who found him there and then as aforesaid, Some Cabbage had been stolen the Saturday and Sunday nights previously near the place where Redmond was found, and the Porter feel himself justified in making Redmond a prisoner, and bringing him before the Master, Redmond refused to go with him, and sat down upon the ground upon which the Porter took the stick from Redmond and struck him three or four times across the rump for the purpose of making him move on, James Redmond further charges the Porter with receiving Cabbage improperly last March from the Steward, The Porter admits getting Cabbage which he says are entered in the Steward Book, Signed Dr. A. Resolved that we approve of the Porter having taken Redmond into custody, and feel that he was perfectly justified in so doing, Redmond having been found on the Workhouse Ground under very suspicious circumstances, but we also feel that more efficient means to oblige Redmond to leave the Ground might have been taken by the Porter, and we have accordingly cautioned him to be more careful in future, that this Board is also aware that Vegetables from the Workhouse Grounds have been purchased by the Porter and all the other Officers of the House and have been duly accounted for to the Clerk who has lodged the Amount received for them to the Credit of the Union,

---

Resolved that the Schoolmaster is hereby permitted to be absent from the Workhouse a two days in the ensuing week and the Master directed to provide for the discharge of the Schoolmasters duties during his absence,

who will then make such Order in reference to it
as they may deem necessary.

Mr Nicholas Cowman complained of the Porter having used
insolent language towards him on the 2nd Instant,

Nicholas Roche Porter of the Fever Hospital has been admitted into that Institution affected with Jaundice, He has resided in the Electoral Division of Wexford during the last ten years at least, and has been the last three years filling the Office of Porter to said Institution, which is situate in the said Electoral Division, When determining his chargeability the majority of the Guardians present fixed it in Wexford Division, conceiving that as he resided during the last three years in that Division he ought to be charged to it, whilst on the other hand it was thought by the minority that as he was a Union Officer during the last three years residing in the Hospital of the Workhouse - and his salary paid by the Union that he ought in justice be charged to the Union at Large.
