A letter dated 5<sup>th</sup> February 1864 from Clerk of New Top Union, forwarding Copy of Resolution adopted by the Board of Guardians of that Union praying to be relieved from taxation &c &c,  
No order made by the Board on this letter.

Resolved that the Tender of Mr William Hawey to supply for 3 months, Best Beef without Bone and Best Mutton for six pence per lb is accepted.

The Relieving Officer, having admitted into the Workhouse on the 9<sup>th</sup> instant a pauper stated on his Application & Report Book, a Rambler & Aethetic, and having admitted on the 11<sup>th</sup> instant a pauper under similar circumstances, the Board, when confirming the provisional admissions refused to confirm the admission of the two paupers referred to on the grounds that the Relieving Officer

exercised an improper discretion.  
The Guardians having considered the question of this day as to who was to pay the cost of the relief afforded to these paupers for the sleep they spent in the house it was proposed by Alderman Vicary and seconded by Mr Thomas Walsh.

That the Commissioners be requested to inform the Board whether the Relieving Officer under the circumstances stated is liable to the cost,

Moved as an Amendment by Mr W. N. Dwyer and seconded by Mr Patrick Lambert

That the Commissioners be requested to inform the Board what party is liable to the payment of the cost of relief afforded to persons provisionally admitted to the Workhouse whose admissions are not confirmed by the Board.

A letter dated 4<sup>th</sup> March 1864, from the Relieving Officers stating that being called on by the Board to explain the circumstances under which he admitted James Murphy and James Kelly, he begged to say that James Murphy applied to him for admission into the House on Sunday the 31<sup>st</sup> January last, stating that he had travelled from Ennisborty that day, and believing him to be destitute he gave him a ticket of admission—that the Board of Guardians at their next meeting on Saturday the 6<sup>th</sup> February ordered him to leave the House on the following Monday, which he accordingly did—that he then applied to him for admission on Tuesday the 9<sup>th</sup> February—that the weather being very wet, and he being badly clothed and to all appearance destitute, he did not think it prudent to allow him to remain out all night, and he gave him a ticket of admission, and he left the House on Saturday the 13<sup>th</sup> February—that James Kelly applied to him for admission on Thursday the 11<sup>th</sup> February, stating that he had come from Ennisborty he being to all appearance destitute, and the weather being very cold, he gave him a ticket of admission, that he also left the House on Saturday the 13<sup>th</sup> February and that he trusts this is a sufficient explanation.
