The following Letters on matters arising under the Medical Charities Act or the Nuisances Removal and Diseases Prevention Acts, from the Poor Law Commissioners and others were read by the Clerk, and directions given to answer them respectively, to the following effect (or Orders were made on them respectively) as follows :—

Read Letter from Commissioners No 170 29/ dated
stating that

September 1866, Sanctioning rate of Remuneration to Doctor Crean as temporary Medical Officer of Broadway Dispensary District, but desiring to know whether the appointment of a Successor to Dr Maddy was postponed to the 1st proximo,

Ordered that the Commissioners be informed that the Board of Guardians are not aware of the reasons that induced the Broadway Dispensary Committee to defer the Election till the 15th of next month, but the Guardians have now directed the Clerk to transmit to the Committee a Copy of the above letter with a request that they would reply to the inquiry which when received shall be forwarded by this Board to the Commissioners,

Whereas it is evident that expenses incurred under the "Nuisances Removal and Diseases Prevention Acts" in such portions of the Union as are not within the borough of Wexford are properly chargeable on the Poor Rate but as a difference of opinion exists as to whether the expenses paid for Limewashing Houses within the Borough of Wexford and for the carrying out of other Sanitary Measures under said Acts are a legal charge on the Poor Rate It is resolved that the Poor Law Commissioners are requested to obtain a legal opinion on this case and communicate same to this Board,

Next Meeting of the Guardians to be held on Saturday the 15th September 1866.
